School Report

Emily Weston reported The Timberlane Players will present several performances of "Inherit the Wind" over the next week, with Thursday, Friday and Saturday evening performances as well as a matinee on Saturday afternoon and a Wednesday performance for the English classes. She continued to report that spring sports are underway including track, baseball, tennis, lacrosse and softball, an open house for parents was held at the high school, and the Math team placed second in the State. She concluded her report noting a band concert is scheduled for March 27th and the pie day fund raiser was a success.

Kevin Zambrano reported student council members participated in the second open house at the high school by distributing room lists, maps and providing directions. There are fifteen student council members scheduled to help out at the Timberlane job fair on Tuesday, March 25th. Kevin then reported many council members attended at State meeting in Winnisquam where they learned the NHASC guidelines for the honor book and the IOU project. He then went on to report that a highly attended school spirit activity was held and the final Kids-Night-Out of the year is scheduled for April 5th.

Current Business

Review of Election Results

Mr. La Salle reviewed the District voting results of March 10th, noting that Mr. Robert Collins from Danville was elected to the school board and a budget committee write-in candidate was elected with three votes. Mr. Len Mullen accepted the budget committee position and a warm welcome was extended to the new members.

Mathematics Curriculum

It was noted the mathematics curriculum was distributed at the last school board meeting where it was determined more time was needed for review. The board has since had time to review the curriculum. Mr. Coker asked for the board's approval.

Block Scheduling

Mr. Coker and Mr. Woodworth presented the block scheduling concept noting that four by four block scheduling would allow teachers more time to connect with students as well as more time to provide in-depth instruction. Four courses would be taken in the first half of the year and four more would be taken in the second half.

Mr. Coker continued to say that block scheduling is utilized by many school districts in the state and is tied to the national standards and state frame work. Timberlane would be part of the majority if approved. One of the advantages experienced by other districts is a reduced failure rate due to more in-depth learning time. Mr. Woodworth believes that it encourages better relationships between teacher and students. He continued to note that teachers will also need to change their methods of teaching. They will need to create more interactive and effective ways of teaching. Block scheduling will give students additional opportunities to work in-depth at subjects within the class room. Mrs. Champey expressed her support of block scheduling and noted that professional development time should be spend in training new teaching methods required to be successful in this venue. Mr. La Salle gave an example of how block scheduling would help a student by granting more time to learn each subject but completing the required amount of subjects per year. He continued that kindergarten and elementary schools encourage this type of scheduling.

- **Motion: Arlene Champey made a motion, seconded by Elizabeth Kosta**
- **Voted:** To approve continued research of block scheduling.
- **Passed:** Unanimous

School Calendar

The second draft of the 2008-2009 school calendar was presented for consideration. Members requested October 29 be scheduled as a regular school day and not an early release day as indicated in the draft.

- **Motion: Elizabeth Kosta made a motion, seconded by Lisa Withee**
 - To approve draft 2 of the 2008-2009 school year calendar with the following change;
 - Remove October 29, 2008 as an early release, scheduling this as a full school day.
- **Passed:** Unanimous

High school construction project

Mr. Stokinger thanked the public for their support of this project. He reported that the exterior wall between the metal shop and wood shop would be too costly to remove. An alternate solution would be to remove the garage door and repair the space on the exterior wall. The HVAC systems options needed to be reviewed further. A review of each cost item will be done on Tuesday.

Administrator's Report

Mr. La Salle recommended the 2008 graduation day be scheduled for Friday, June 13th at 5:30 pm.

- **Motion: Elizabeth Kosta made a motion, seconded by Lori Aubrey**
- **Voted:** To schedule the 2008 graduation on Friday, June 13, 2008 at 5:30 PM
- **Passed:** Unanimous

Reports of the School Board

Mr. Mascola will attend the high school renovation committee meeting. Mrs. Withee reported the energy report shows an overall savings. She recommended the summer hours schedule be implemented again this year in an effort to save money and energy.

She continued to report on the facilities committee meeting noting that the Danville kitchen is part of the minimal standards compliance report and noted the hood in the kitchen does not have a fire suppression system. A section of the Danville roof installed in 1988 has rigid insulation which is deteriorating parts of the steel structure and needs to be inspected. A cost estimate of the repair to the roof is \$115,000 which includes replacing the steel decking and re-roofing the area. The inspection of the roof should be scheduled for this summer. This inspection would require removing the roof and visually checking the steel structure. The well at Danville school from 1964 is currently being monitored. She went on to say that Mr. Woodworth provided the facilities committee a list of deficiencies at the high school. Mr. Paone suggested a feasibility study committee be formed to investigate construction options for both the middle and high schools. Mrs. Withee concluded by inviting residents and parents to attend the annual facilities tour.

Mrs. Aubrey reported on the transition committee which has scheduled Move-Up Day on June 17th. They will meet again on Thursday, March 27th.

Mrs. Champey conveyed with sadness that she attended the funeral services of Wendell Brazee who was the Lead Custodian at Danville Elementary school. She extended her condolences to his family. She continued to report that the safety committee will meet on Tuesday, March 25th at 8:30 am at the SAU office.

Mr. Collins thanked the voters and expressed his honor in serving on this school board.

The board members reported on district activities they attended.

Mr. Baldwin asked the board members to submit their committee assignment requests for the 2008-09 school year.

- **Motion: Lisa Withee made a motion, seconded by Elizabeth Kosta**
 - To approve summer hours for the 2008-2009 school year months of July and August.
- **Passed: Unanimous**

Correspondence - None

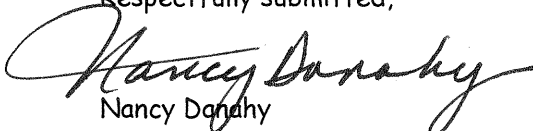

Vendor and Payroll Registers - Done

Other

Mr. Stokinger noted that the District's 2-year contract with the natural gas and electric companies expire this year.

Having no additional business before the board, Mr. Baldwin adjourned the meeting at 10:30 pm.

Respectfully submitted,

Nancy Danahy
