Request for Busing for Split Custody Arrangements

The Warrior Run School District recognizes that some students have split living arrangements with divorced or separated parents. The following will apply for any student whose parents have a custody arrangement on file with the Courts:

- The child must be eligible for busing (more than 1.5 miles from School or where needed when walking constitutes a hazard to the safety of the child)
- **Both** parents must reside within the boundaries of the Warrior Run School District
- Parents must have shared legal custody of the child
- Parents must submit a copy of the most updated Custody Agreement on file with the Courts to the school.
- Both parents must sign this request
- The child is responsible for knowing what bus he/she must ride on a particular day. If a child rides the wrong bus, it will be the responsibility of the parents. (A note should be submitted at the school level for students K-6 for changes in assigned daily transportation for split custody arrangements, should a note not be provided then the child will use whatever transportation method that the school has on file).

Both Parents must complete and sign this form and return it to the Business Office. ****This form is only valid for the current school year. This request along with a copy of the most current custody agreement MUST be turned in prior to the start of every school year to be valid.**
