Students who have an MTSS plan will receive daily intervention and monthly progress monitoring with both iReady (digitally) and the research based reading intervention UFLI. Universal screening will take place three times throughout the 2024–25 SY. New students will be given the universal screeners during the first two weeks of beginning at Manor Hill Elementary to determine needs.

A reading specialist will provide additional small group reading support to K–5 students. iReady reading scores will be used to identify students and diagnostic assessments will be used to identify missing skills. The reading specialist will provide evidence based instruction and progress will be monitored monthly using iReady and the diagnostic assessments.

In addition, our ALL53 interventionist will target students through daily interventions. LPS pays for this program with non-Title funds.

Students with Reading success plans will receive targeted intervention supporting their reading skills determined by the district/state universal screener.
