BOOK OF THE MONTH

Wemberly Worried follows a young mouse who constantly frets about everything from the cracks in the wall to her first day of school. However, after meeting a fellow worrier in her classroom, Wemberly realizes that she can overcome her anxieties by making a new friend and focusing on the fun of kindergarten.

TIP OF THE MONTH

Practice the "Pinch": Use tweezers or tongs to move pom-poms or cereal pieces between bowls. This mimics the "tripod grip" needed for a pencil.
