Executive Summary

School Food Service Hybrid Programming

The USDA granted the State of NH an Area Eligibility Waiver on August 31, 2020. This waiver will allow all students to receive free breakfast and lunch through December 31, 2020, or until such time as program funding runs out. The District is in the process of submitting its application to NH DOE for these approval of these waivers. Free meals may be served during the application process.

Timberlane Regional School District will open on September 8, 2020. Food Service will operate as follows:

Students participating in the Hybrid option will have lunch available on those days when they are in school.

Each Wednesday during Hybrid Learning a special pickup will be available between 8:00am and 11:00am at the kitchen doors of the following schools:

- Atkinson Academy: 17 Academy Avenue, Atkinson, NH 03811
- Danville Elementary: 23 School Street, Danville, NH 03819
- Pollard Elementary: 120 Main Street, Plaistow, NH 03865
- Sandown North: 23 Stagecoach Drive, Sandown, NH 03873

Remote and Hybrid Students from all schools may participate.

At the Wednesday pickup:

- Hybrid Students will receive three (3) breakfast & three (3) Lunches to cover the days they are remote.
- Remote Only Students will receive five (5) breakfasts & five (5) lunches.
- Pickup may be made by parents or guardians.

In the event the District opens remotely on Tuesday, September 8, 2020, meals will be available at the elementary schools listed above from 8am to 11am.

Since the Waivers are only available until December 31, 2020 or until funding runs out, Free and Reduced applications should continue to be submitted.

Please contact Nancy.Pierce@SAU55.net for questions about your student's eligibility.
