Atkinson Academy Action Plan

Review of 2018-19
Preview of 2019-2020

2018-2019 – Atkinson Academy Goals Review

- Student achievement goals in Math and Literacy are measured by using STAR – Student Growth Percentile (SGP).
 - In 2017-2018, Timberlane’s SGP target increased from 40 to 50 to align with higher expectations and accountability.
 - Atkinson Academy set a goal (60% of students to reach the target of 50) based on their review of school specific data.
 - ALL students are included in this measure. Allows us to monitor the growth of all students and compare growth against “like” peers nationally.
 - Atkinson Academy has reflected on their data with teachers and have plans for how they will continue to address achievement areas in the 19-20 school year.
- 
- 
- 
- 

Goal Reflection #1: Math

By June of 2019, 60% or more of grades 1-5 students at Atkinson Academy will have met the Student Growth Percentile (SGP) expectation of 50 or greater in the area of Math as measured by the STAR Math Assessment.

	GOAL	ACTUAL
Atkinson Academy	60%	66%

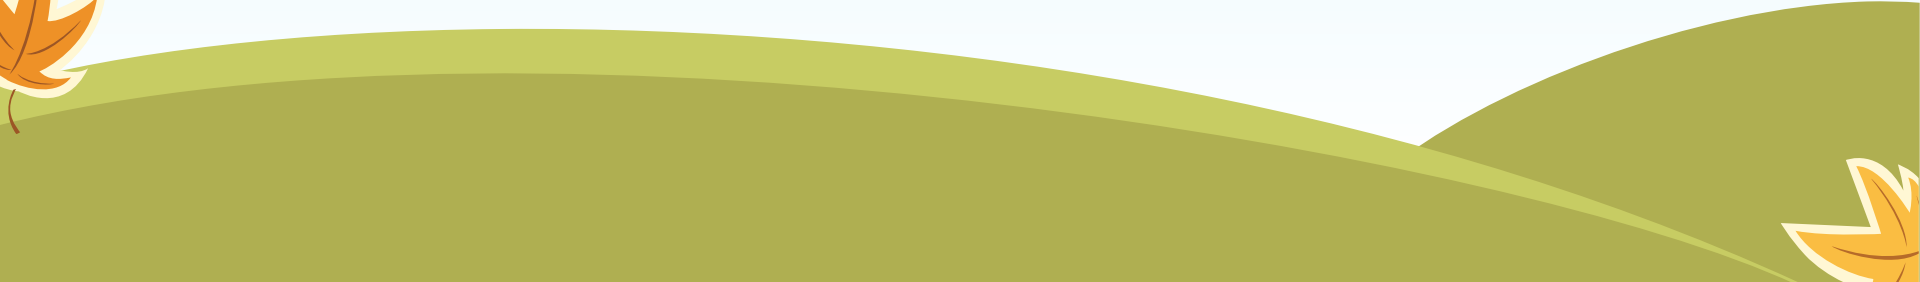

84 % of students in Gr. 1-5 at Atkinson Academy were “at or above” target on STAR end-of-year benchmark in Math.

Goal Reflection #2: **Tripod/7C's Challenge**

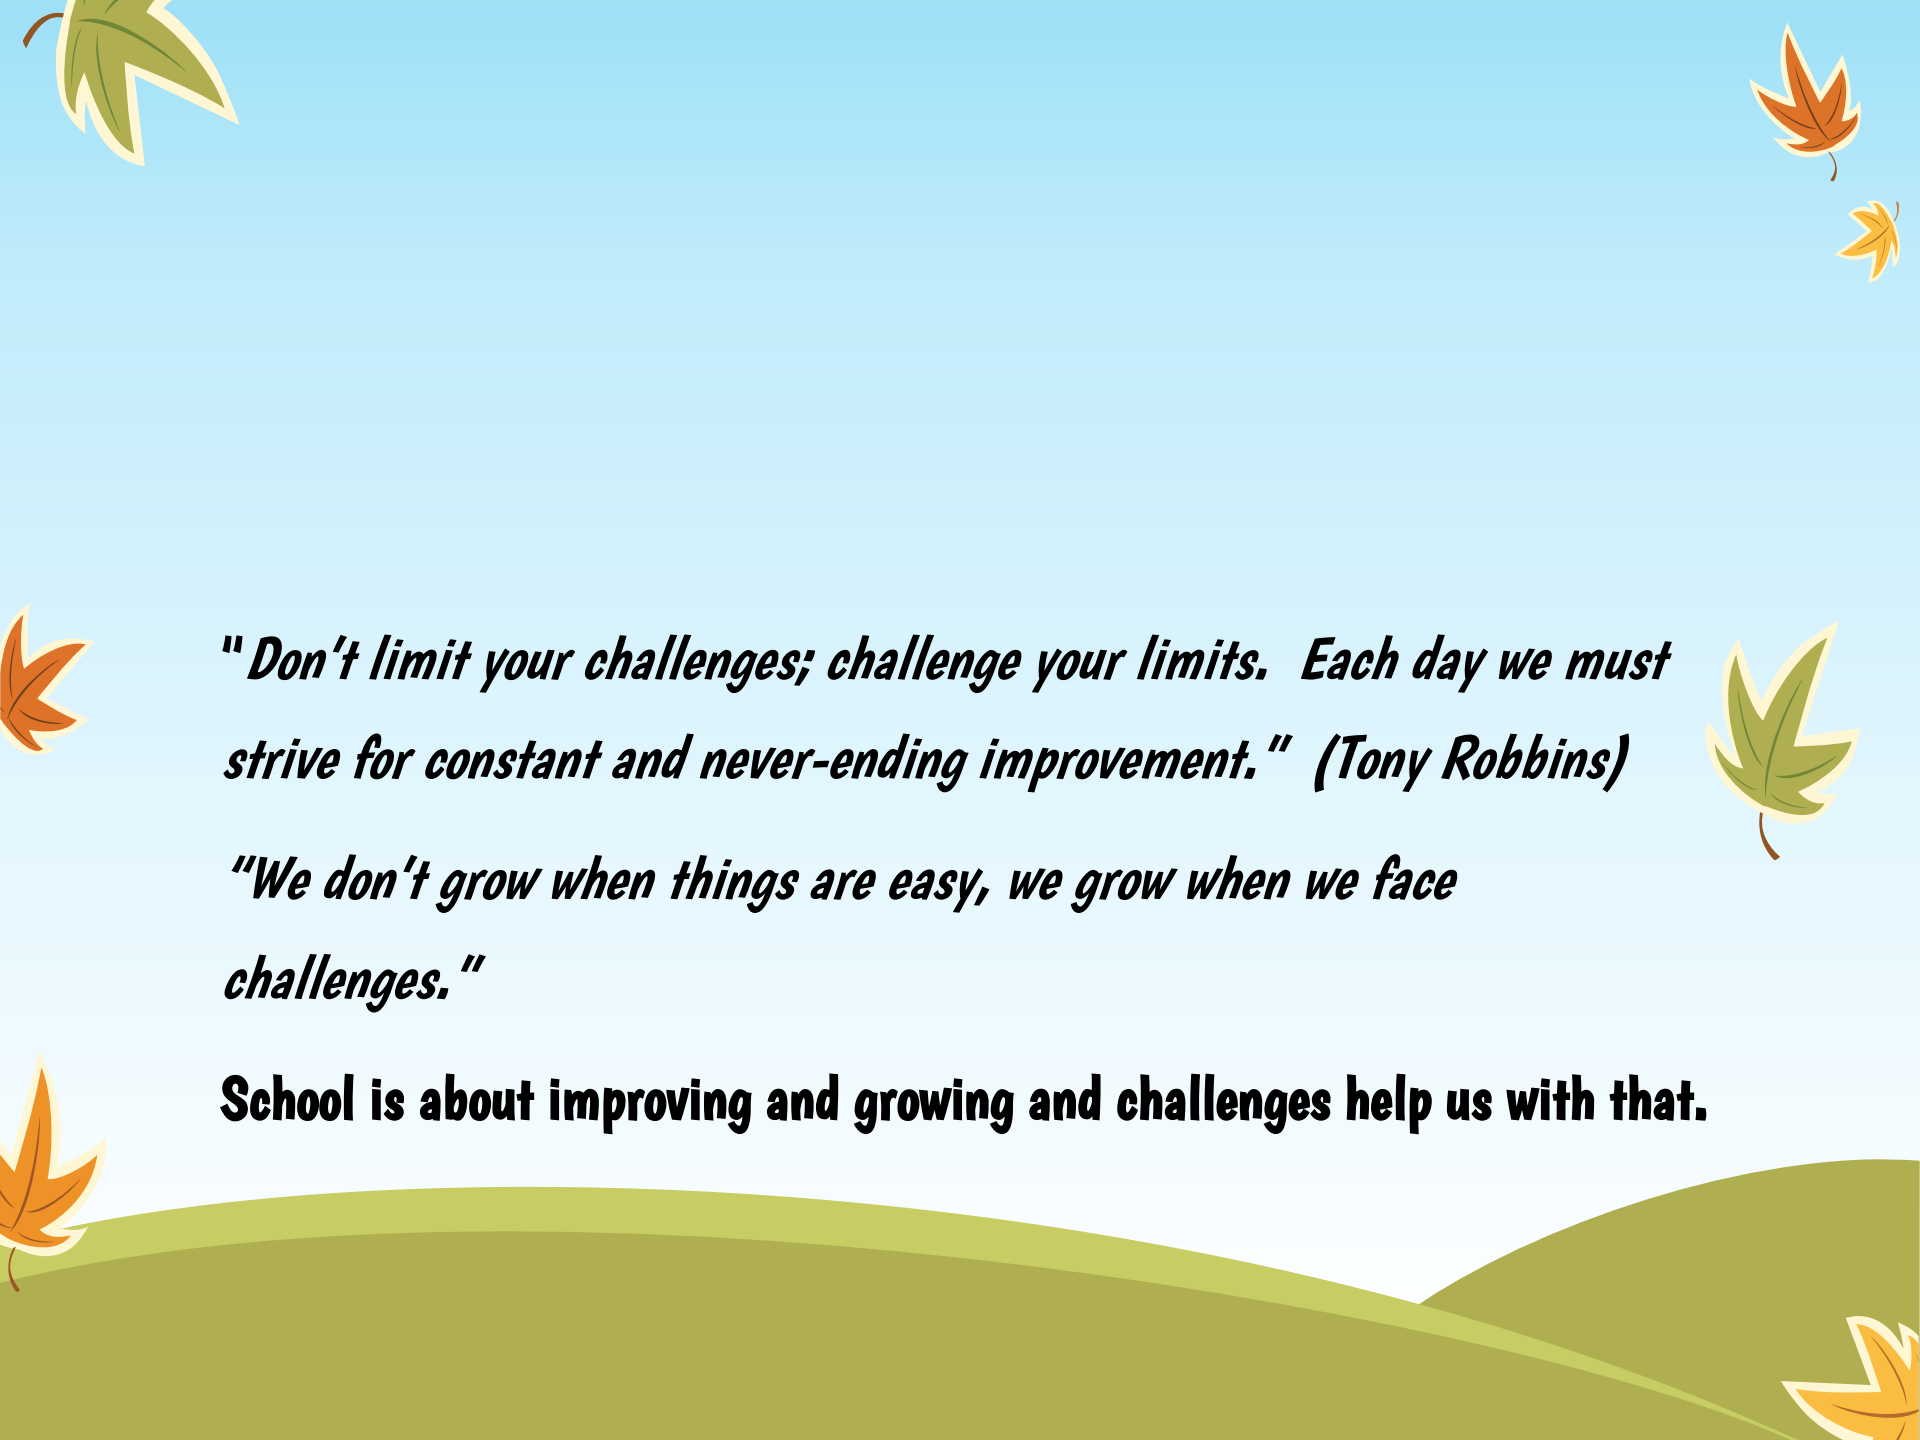

During the 2018-2019 school year, Atkinson Academy will focus on cultivating positive learning environments within each school community as measured by the Tripod student perceptions survey and the completion of several events and activities throughout the school year.

Challenge

is something needing
great mental or physical
effort in order to be done
successfully.

The background is a light blue sky with several stylized autumn leaves in green, orange, and yellow scattered around the edges. At the bottom, there are rolling green hills. The text is centered in the middle of the slide.

"Don't limit your challenges; challenge your limits. Each day we must strive for constant and never-ending improvement." (Tony Robbins)

"We don't grow when things are easy, we grow when we face challenges."

School is about improving and growing and challenges help us with that.

2019-2020 ACTION PLAN

GOALS:

Early Literacy

By June of 2020, 80% or more of all K- Grade 1 students at Atkinson Academy will have met the benchmark expectation of 50th percentile or greater in the area of Early Literacy as measured by the STAR Early Literacy Assessment and the Heggerty Screener.

- 
- 
- 
- 
- 
- 
- All students will receive high quality research-based instruction differentiated to meet their needs through the implementation of guided reading groups
 - Personalized learning opportunities will be offered to all students

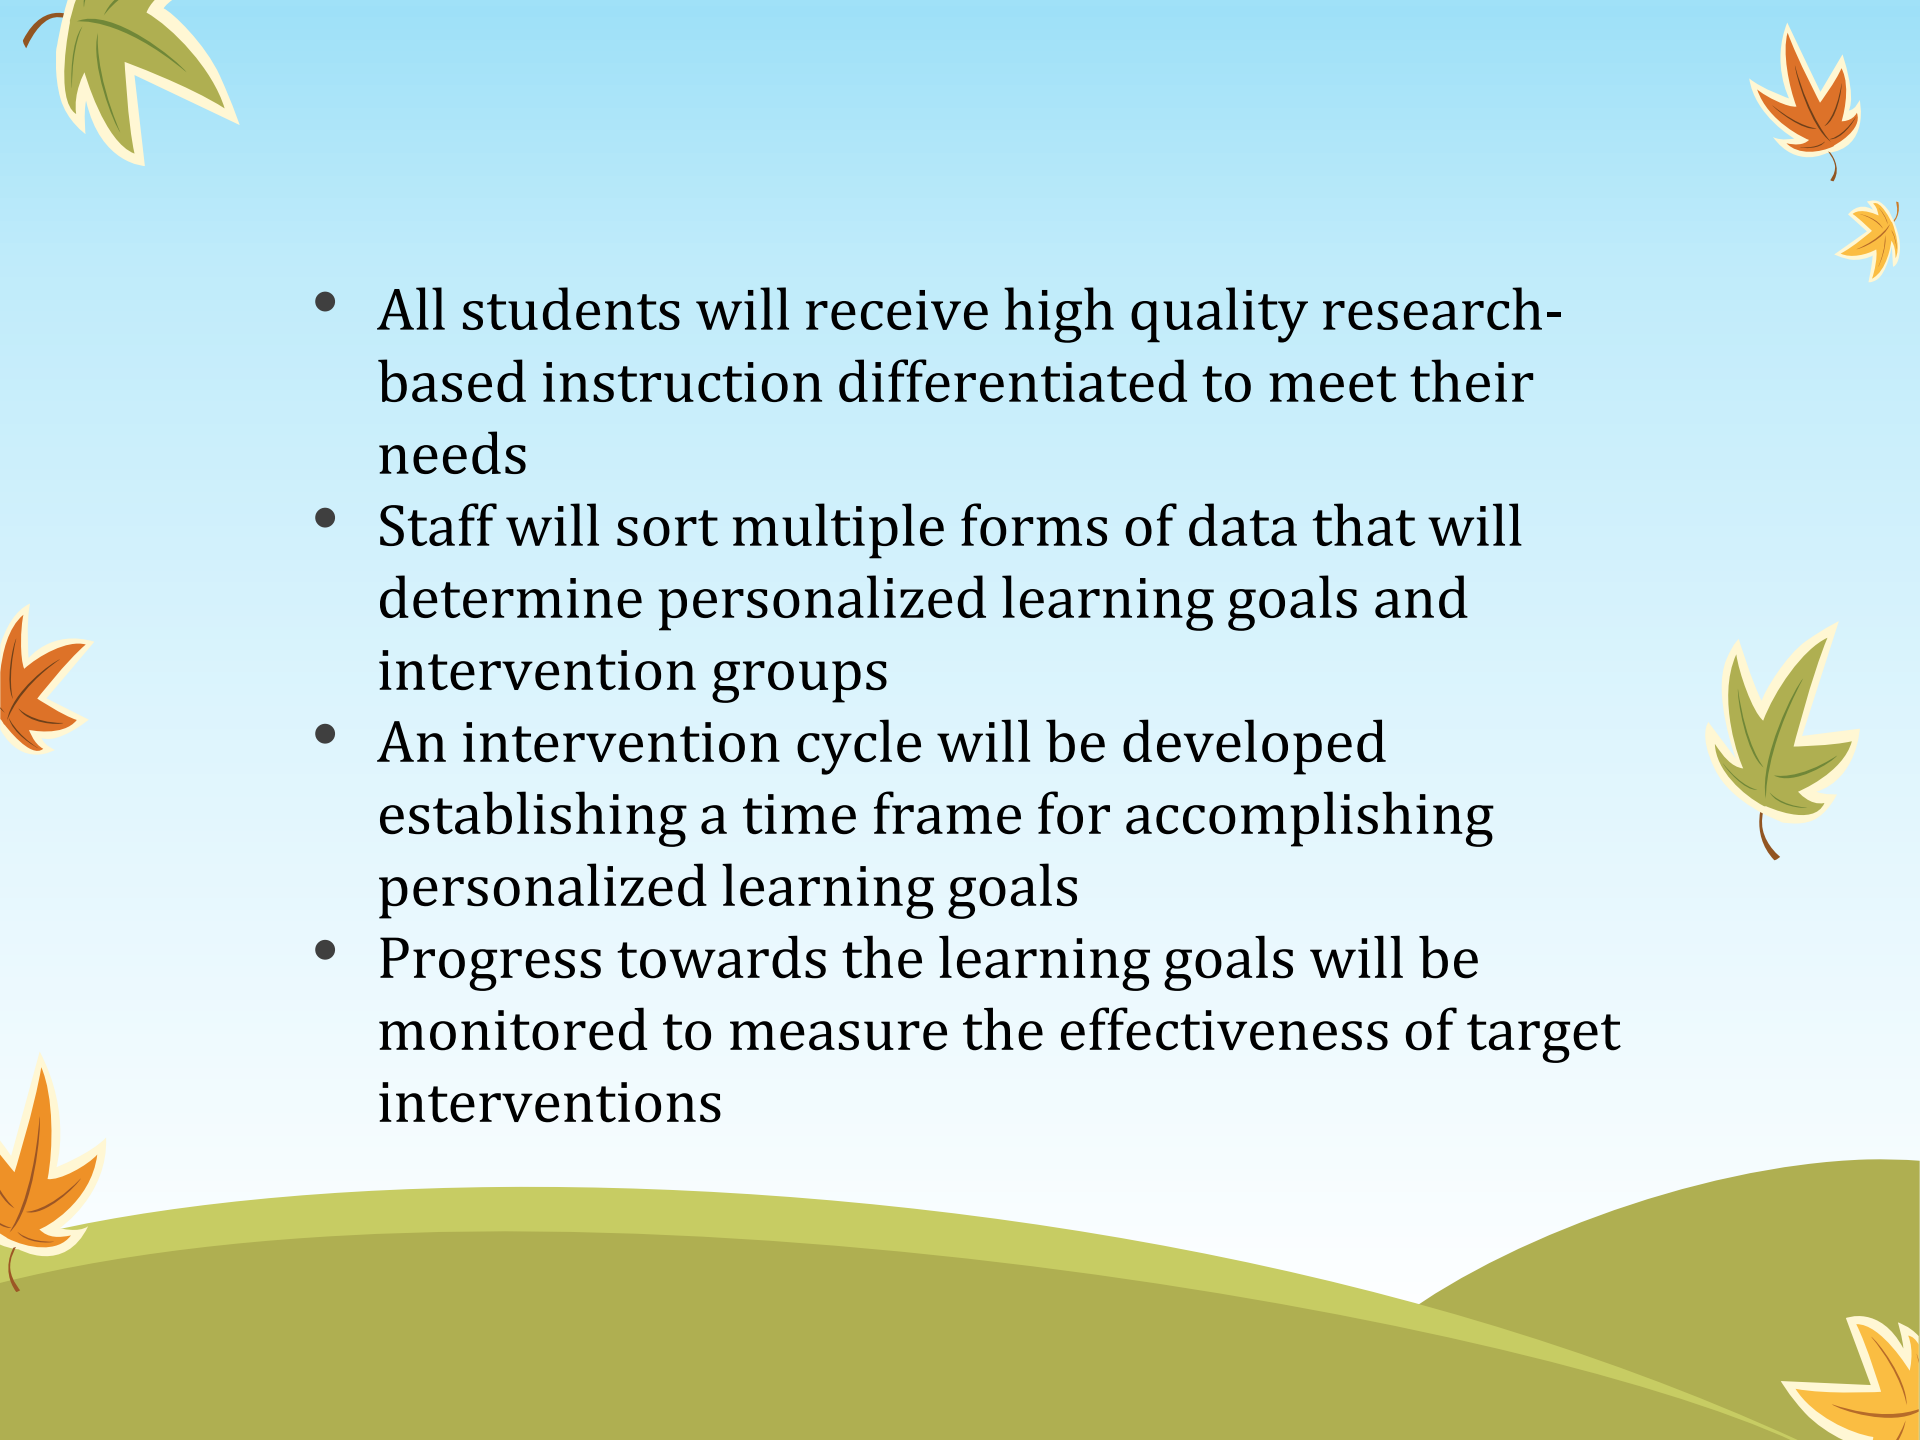

Atkinson Academy Goal #2

Math

By June of 2020, 85% or more of all grades 1-5 students at Atkinson Academy will have met the expectation of 50th percentile or greater in the area of Math as measured by the STAR Math Assessment.

- 
- The slide features a light blue background with several stylized autumn leaves in shades of green and orange scattered around the edges. At the bottom, there are rolling green hills. The text is centered in the upper half of the slide.
- All students will receive high quality research-based instruction differentiated to meet their needs
 - Staff will sort multiple forms of data that will determine personalized learning goals and intervention groups
 - An intervention cycle will be developed establishing a time frame for accomplishing personalized learning goals
 - Progress towards the learning goals will be monitored to measure the effectiveness of target interventions

Culture/Climate or Social-Emotional Goal

In the 2019-2020 school year, Atkinson Academy will focus on developing positive learning environments and students' social emotional skills as measured by the various data collection tools including the Tripod student perceptions survey, behavior tracking data, and the completion of action steps determined by each school community.

CONSOLIDATE

Teachers who consolidate help students *integrate* and *synthesize* key ideas. They *summarize* and *make connections* in ways that help students see relationships within and across lessons, remember ideas, and build understanding over time.

Questions to consider as you reflect on your classroom practice:

- Do you summarize big ideas at the end of lessons and review them periodically?
 - Do you ask students to summarize and synthesize what they are learning?
 - Do you make explicit connections between lessons?
 - Do you help students make connections within and across the curriculum?
 - Do you refer to relevant current events or other meaningful applications of what students are learning to facilitate transfer of knowledge and skills?
 - Do your assignments require students to build on prior learning?
 - Do your assessments incorporate topics and skills from earlier lessons?
- 
- 

CONSOLIDATE

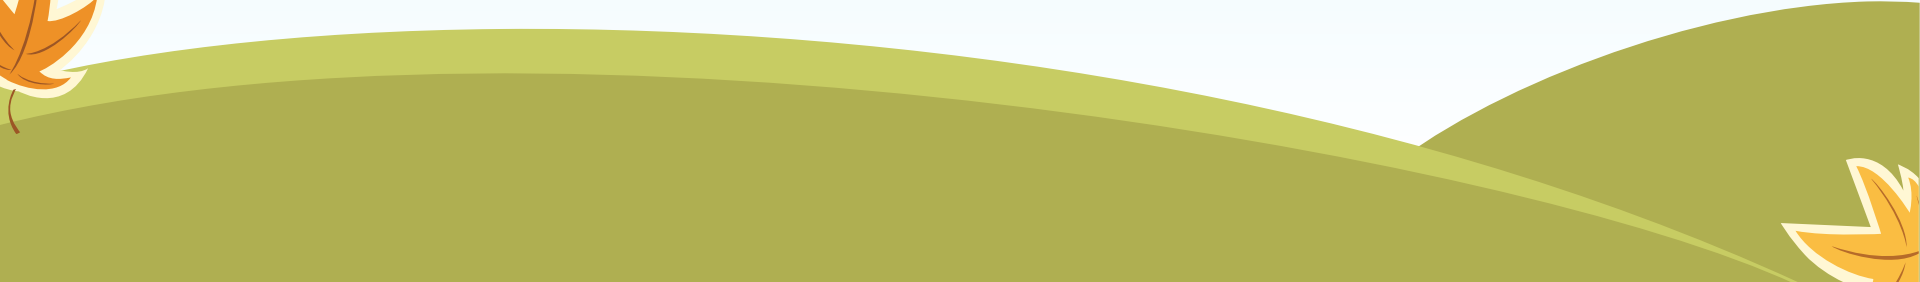

CONSOLIDATE

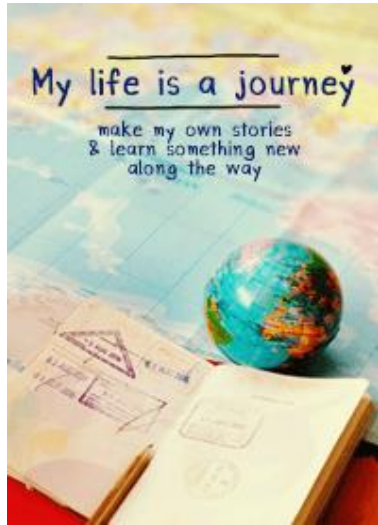

MESSAGE TO STUDENTS:

"We review and summarize lessons to help make learning coherent and memorable."

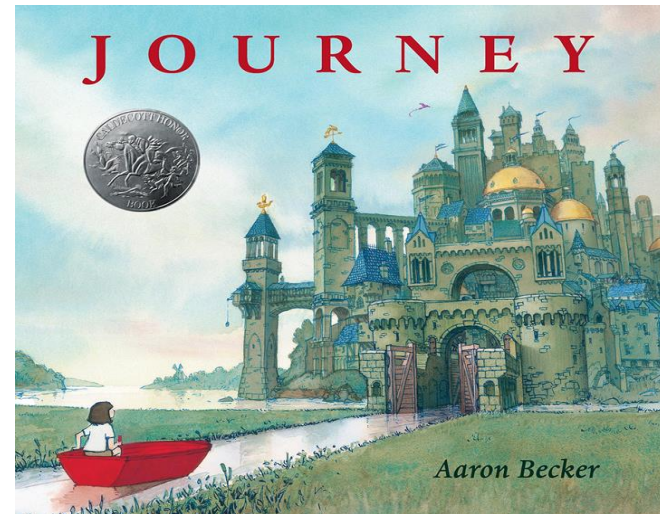

The Pledge of Kindness

I pledge to myself,
On this very day,
To try to be kind,
In every way.
To every person,
Big or small,
I will help them,
If they fall.
When I love myself,
And others, too,
That is the best
That I can do.

Pollard School

2018-2019 Review
2019-2020 Preview

2018-2019 Action Plan

Goal #1: By June of 2019, 60% or more of grade 1-5 students will have met the Student Growth Percentile (SGP) expectation of 50 or greater in the area of Math as measured by the STAR Math Assessment.

Our reality: 49% of our students made this goal

Though we didn't achieve this goal, 69% of Pollard students in grades 1-5 met the expectation of the 50th percentile or greater in the area of Math as measured by the STAR Math Assessment.

What this means: We will continue to focus our learning and instruction in this area. We made instructional shifts during the 18-19 school year which will improve student learning outcomes. Unfortunately, change is often accompanied by an initial dip.

Tools for improvement: PLC data cycles, OGAP (Ongoing Assessment Project), extension of math instruction related to STEAM, guided math, and math running records.

2018-2019 Action Plan

Goal #2: During the 2018-2019 school year, all elementary schools will focus on cultivating positive learning environments within each school community as measured by the Tripod student perceptions survey and the completion of several events and activities throughout the school year.

Pollard's overall Tripod score in the 7C's (care, confer, captivate, clarify, consolidate, challenge, and classroom management) were:

Grades K-2: 320 (in the above average range) 167 students participated

Grades 3-5 290 (the average range) 245 students participated

Pollard's 2019-2020 Action Plan

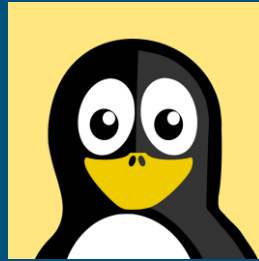

2019-2020 Goal:

By June of 2020, 75% or more of all grades 1-5 students at Pollard School will have met the expectation of 50th percentile or greater in the area of Math as measured by the STAR Math Assessment.

Focus Toward Goal:

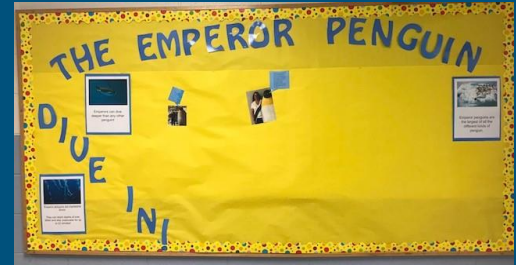

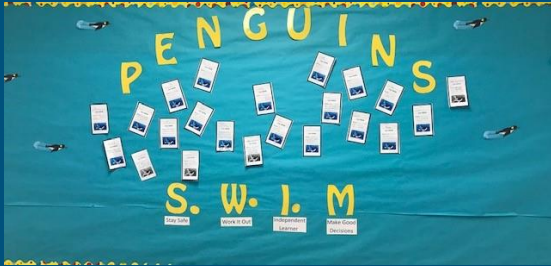

PLC data cycles focusing on math progress

OGAP (Ongoing Assessment Project) training this will help with the use of formative assessments and targeting instructional goals

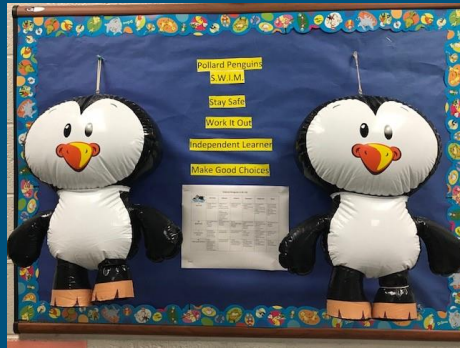

Continued professional development on guided math instruction

The use of math personalization blocks

2019-2020 Goal: *Pollard School understands the importance of educating students holistically - socially, emotionally, and academically. Through the continued focus on the development and education of the Whole Child, students have the opportunity to participate in a school community that is healthy, safe, engaged, supportive, and prepares them for success in the global community of the 21st century.*

In the 2019-2020 school year, Pollard School will focus on improving effective teaching and learning practices by focusing on “classroom management” as measured by the Tripod student perceptions survey and the completion of action steps determined by the school community.

Focus Toward Goal:

Staff will continue our work with the book Teacher's Guide to Trauma

Our monthly staff meeting will focus on SEL learning

We will build community using our “Penguins S.W.I.M” theme (Stay Safe, Work It Out, Independent Learner, Make Good Choices)

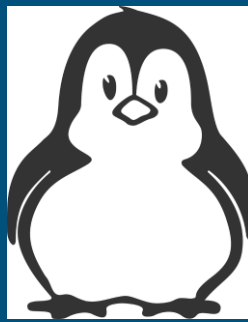

We will use S.W.I.M. tickets to help students to encourage the positive behaviors of peers

We will research and practice restorative discipline practices.

2019-2020 Goal: *Pollard school students will develop the skills to write fluently, so they are able to produce the amount and quality of writing necessary to complete school assignments and other academic tasks. This will be measured by data collection throughout the year.*

Focus Toward Goal:

1. Our writing instruction will emphasize the development of fluent handwriting, technology, spelling, vocabulary, and language skills.
2. We will include sufficient time for both foundational skills and higher-level composing skills in writing instruction.
3. Students will have daily opportunities to write.

2019-2020 Action Plan Goals:

By June of 2020, 75% or more of all grades 1-5 students at Pollard School will have met the expectation of 50th percentile or greater in the area of Math as measured by the STAR Math Assessment.

TLC @ Sandown Central School Action Plan

2018-2019 School Motto/Theme:

“LIFE of an OWL begins here”

Open to New Ideas

Wise Beyond Our Years

Learn from Each Other

2018-2019 GOALS:

Goal #1:

- **By June of 2019, 65% or more of all K students at TLC at Sandown Central will have met the Student Growth Percentile (SGP) expectation of 50 or greater in the area of Early Literacy (math and language arts) as measured by the STAR Early Literacy Assessment.**

Goal #1 Reflection:

- *Over $\frac{1}{3}$ of students made the SGP of 50 points.*
- *All students made significant growth through the elementary Heggerty screener. (Phonemic Awareness assessment)*
- *More students in 2018-19 than the past two years reached Fountas and Pinnell Level D (Emergent Reader) in reading which is the Kindergarten end of year benchmark.*

Goal #2:

Goal #2:

In the 2018-2019 school year, TLC at Sandown Central will focus on developing positive learning environments and students' social emotional skills.

Goal #2 Reflections:

- *Teachers and Paraeducators had training through Cassie Yackley to learn and implement strategies to manage student behavior stemming from trauma.*
- *A District-wide Parenting Fair was held to help teach and support families in all areas of social and academic development for early learners.*
- *Spaces within the building and playground area were altered to support the smallest learners in the district.*
- *We have continued to build our productive play bins to be used throughout the school for each grade level to have a platform to teach social and soft skills. Turn-taking was a focus for the past year.*

Goal #3:

In the 2018-2019 school year, Sandown Central staff and students will continue to focus on building and demonstrating a strong school climate and culture.

Goal #3 Reflection:

- *Our Tripod Goal selected was Challenge from the 7C's.*
- *Students were “Challenged” by activities targeting critical thinking and higher level questioning through our play-based bins and hands-on activities.*
- *Fall pumpkin STEAM events, our new school spirit wear and mascot and Spring planting were highlights for students and families.*
- *All staff were included in a PLC to foster strong communication and collaboration.*
- *Our Wellness Committee had monthly events for staff to maintain a positive work environment.*

Staff and Student Viewpoints on 2018-19:

- ❖ Our Sandown Central library was opened for all students to take out books--their first line of credit/responsibility.
- ❖ The Three part Staff PD in dealing with trauma in students was very beneficial.
- ❖ The new playground equipment has been a welcomed addition for our growing population.
- ❖ Our Sensory Room was a wonderful addition to help support students who need movement as part of their learning process.

2018-2019 School Photos

Staff and Student Viewpoints on 2018-19:

- ❖ The partnership with the Rock Church, town library, and new parent volunteer groups have made a huge difference in building community.
- ❖ The Halloween parade/dance, Polar Express and Pre-K Fairytale Ball were students favorites.
- ❖ Staff and students loved our new school spiritwear.
- ❖ Our lateral discussions with Sandown North have built stronger staff instructional practices.
- ❖ Our growing population supported the addition of a new Full-Day K class room.

Goals for 2019-2020:

Goal #1:

By June 2020, 50% or more of the TLC at Sandown Central Kindergarten students will have met the Student Growth Percentile (SGP) expectation of 50 points in the area of Early Literacy as measured by STAR and Heggerty.

Action Steps:

Goal #1:

- *STAR and Heggerty were both selected as our Early Literacy benchmarks to measure growth. RSA 200.58 and 200.59.*
- *Steps will be taken to support the intervention process through RTI and PLC work.*
- *Staff will attend training throughout the year on best practices for teaching writing.*
- *We will be working with the literacy specialist from North to help support teachers at Central as well.*

Goal #2:

In the 2019-2020 school year, TLC at Sandown Central will focus on developing positive learning environments and student skills through productive play and multisensory instructional practices.

Action Steps:

Goal #2:

- *We have selected Captivate and Care as our 7C's for the year through our professional learning in the area of project and play-based instruction. (RSA 193-E:2-a)*
- *We will have training for all staff on best practice when dealing with children facing trauma.*
- *We will have a designated Makerspace in the library.*
- *We will continue to build our library of productive play bins and share district wide.*

Goal #3:

In the 2019-2020 school year, TLC at Sandown Central staff and students will continue to focus on building and implementing a strong school climate and culture.

Action Steps:

Goal #3:

- *We will continue to build community with through our new Sandown Parent Resource Room.*
- *The school will continue to foster relationships within the Sandown community and towns like Triple Elm.*
- *The Wellness Committee will continue to foster a positive work environment with spirit days, raffles and FriYAY foods.*
- *Parents will continue to be part of the Building Leadership Team.*
- *Students will all have a classroom “Hootie” to track the school goals of being kind, respectful and safe.*

Executive Summary

Videographer Training for Public Meetings

School Board Goal: General Ongoing #2

The Timberlane Regional School Districts utilizes a few different platforms for video recording and rebroadcasting.

The first is Livestream which gives us the capability to stream events live. Our Livestream service supports High Definition and 4K resolutions and one streaming event at any time.

We also use Vimeo for archived videos which we can upload up to 20GB of data a week and 1TB of data a year with unlimited number of videos stored. Vimeo also supports both HD and 4K resolutions. Both platforms are ad free and provide us the ability to customize their pages with our banners and logos.

Members of the public can access these recordings by way of their personal electronic devices, by computers and laptops, as well as watching video broadcasts on local cable channels.

Trained Staff

In addition to our lead videographer, we currently have a couple other members of the Technology Department to serve as backup in the event the lead is unavailable.

Respectfully submitted,

Ken Henderson

Director of Technology

Executive Summary

Evening Division

The Timberlane Regional High School Evening Division program offers students a way to learn outside of the traditional school day. In keeping with the spirit and goals of the TRSD Strategic Plan, the Evening Division program provides students with a non-traditional pathway to meet our district expectations for college and career readiness.

Most Evening Division students take TRHS classes during the daytime as well. Many students use Evening Division courses to supplement their educational program, while others access the program to recover and/or catch up on their credit status for high school graduation. Evening Division also is a pathway for students with medical dispensation who are unable to attend school during the day. Students in these classes, which utilize the same curricula and many of the same teachers as the day school program, earn CCP credit toward a Timberlane Regional High School diploma. Students wishing to complete their education solely in the evening must meet the exact same requirements as students in the day program. Evening Division course offerings span a variety of departments and grade levels to enable students to meet minimum requirements for graduation in conjunction with TRSD Policy IKF: High School Graduation.

Evening Division Course Offerings and Enrollment

The attached table includes an overview of Semester 1 (S1) and Semester 2 (S2) Evening Division courses and student enrollment from 2014-2015 through the 2018-2019 academic year.

Executive Summary

Virtual Learning Academy Charter School (VLACS)

VLACS is an online virtual school that offers full-time and part-time middle and high school programs and provides free tuition for students from New Hampshire. Timberlane students may complete online coursework as a means to obtain high school credit toward graduation in conjunction with TRSD policies IHBI (Alternative Learning Plans) and IMBC (Alternative Credit Options for High School Graduation). Timberlane students who wish to enroll in a VLACS course and transfer online coursework credit are required to meet with their counselor for pre-approval. Once prior authorization is obtained, students may enroll in the selected and pre-approved course. Credit and GPA weight for online VLACS courses is determined during the pre-approval process. Once a student enrolls in a VLACS online course, credit is not granted until an official record of the final grade has been received by the TRHS registrar. The student's official school transcript will document that the course was taken online. The numerical grade earned will be transferred and converted to the equivalent letter grade in the TRHS grading system.

2018-2019 VLACS Courses and Enrollment by TRHS students

During the 2018-2019 school year, 69 TRHS students enrolled in the VLACS courses listed in the attached table. These 69 students completed 99 VLAC courses during the 2018-2019 year.

Executive Summary

Staffing

The Timberlane Regional School District continues to seek highly qualified educators to fill open positions in our district schools. Since our last staffing update to the TRSD School Board on September 18, 2019, in response to significant and changing needs for increased academic interventions and support in our elementary schools, we have repurposed 2.0 FTE open positions that we previously did not intend to fill.

As of November 1, 2019, we have 10 (9.1 FTE) open and vacant positions across the district. We continue to actively recruit qualified staff and intend to fill 7 (6.5 FTE) of these positions.

Open and Vacant Positions

We currently do not anticipate a need to fill the following 3 (2.6 FTE) open and vacant positions for the 2019-2020 school year:

School	Position	FTE	Status
TRHS	Tech Ed / ICT	1.0	Open and Vacant
Pollard	Elem 1-5	1.0	Open and Vacant
District	Tech Integration Specialist	.6	Open and Vacant

Executive Summary

Title IX Review

The Timberlane Athletic Department conducted a self-study on gender equity as it pertains to opportunities, facilities and scheduling regarding male and female programs. The attached information reflects data from the 2018-19 school year, as well as the total enrollment numbers for the 2019-20 school year.

Overall, teams have equal access to indoor and outdoor facilities, including varsity fields, practice and game schedules, equipment and supplies.

In regards to locker room access, at the high school, my recommendation is to level the access to locker rooms. There are two locker rooms for females; males have four locker rooms.

The athletic department continues to assess the needs of the student-athletes, programs, staffing and facilities.
