Spring READ Assessment Collection Timeline

2025-2026

Data Collection Phase

This purpose of this phase is to complete the district required reporting of Spring READ assessment scores as required by statute. This phase is for districts to work in Data Pipeline to upload, clean up, and lock their submissions.

Duplicate Phase

This phase of the collection occurs after all districts have uploaded and locked their submission. This phase allows for duplicate SASID resolution between districts. Date	Event	Event Description
6/15/2026	**Open**	Assuming all districts are locked, the duplicate phase will open to resolve duplicate SASIDs between districts.
6/18/2026	**Deadline**	Assuming all duplicate SASIDs are resolved, the duplicate phase will close. If it is determined that a district has duplicate SASIDs that need to be removed, then a new Spring READ Assessment file must be uploaded and locked in Data Pipeline. **Note: Only districts who remove duplicate SASIDS from their file are required to re-submit data.*
6/18/2026	**Other Date**	District signature pages are due to CDE. Please email these to READActData@cde.state.co.us.
