& More!

ONLINE REGISTRATION OPENS TUESDAY, MARCH 24 AT 6:00 P.M.

Online Summer School Course Selection Directions for Skyward

Opens: March 24 at 6 p.m. Closes: April 10 at 9 p.m.

1. Login to Skyward Family Access at www.lakemills.k12.wi.us
   - Families – Skyward Family Access
2. Select Arena Scheduling from the left-hand menu.
3. Select the student you would like to schedule classes for by clicking on Term 1, Term 2, SWIM or CAMPS under the student's name.
   - Term 1 = Session 1, Term 2 =Session 2, Swim = Swim lessons, CAMP=Jr FFA Camp, College Admissions Camp

You will see a list of all of the class options available based on the selected child's **current** grade level.
Schedule your child based on their current grade level.

4. Select the "*period*" drop down to sort classes by class periods and then Apply Filter. **Double Period & Both Session Classes:** Skyward will automatically schedule these classes (both terms OR double periods) if you select one of these classes. "**Both Session" classes will only appear in Term 1 for scheduling.**

5. Select *Add* to add a class – If you change your mind once you have added a class you can select *Remove* if you would like to remove the class from your schedule.

6. Continue this process until you have selected courses for all four periods. Periods 5-6-7-8-9-10 are all swim periods.
7. If you would like a quick view of what you have scheduled *select view/print schedule.*
8. Once you have registered for all of session 1 classes, select Arena Scheduling again and select Term 2 to select classes for session 2. Repeat process for swim and camps.
9. Your registration process is COMPLETE! Simply log out and you can revisit/revise your child's schedule until April 10. There is not a save or a submit button, the schedule is automatically saved.

Don't forget to sign up for swim lessons, they fill up quickly! Remember, ONE session time per child.

Schedules will be open until April 10, which means you will have the ability to change classes until that date. If a class is full, keep checking back, it might open up if another student changes their mind and drops a class. On April 10, we will turn off Arena Scheduling and schedules will be locked.

DROPPED CLASSES: In the event a class is dropped due to low enrollment, the parent/guardian will be contacted and asked to select a different class.

FEES: You will receive your students' summer school fee statements by email in addition to a paper copy, which you will receive the week of May 4. **Cash or check payments must include the fee statement, which ensures timely payment!** All summer school fees are due by May 15, and for your convenience can be turned in at any office in the district or mailed to LMASD District Office, 120 E. Lake Park Place, Lake Mills, WI, 53551. There is also a 24-hours drop-box at the District Office.

*****FEE STATEMENTS MUST BE INCLUDED WITH PAYMENT*****

Course Name	Grade	Fee	4K Course Descriptions
ON THE WAY TO 5K	4K	$15.00	An enrichment summer school program for any child who will be eligible to attend public school kindergarten in the fall of 2026. As educators, we look upon this program as a positive means to assist young children making the transition to the kindergarten setting. Daily from 8:00-11:57 AM.

Course Name	Grade	Fee	Grades 5K-1 Course Descriptions
ADVENTURES IN NATURE	K-1	$0.00	Spend some time in the great outdoors this summer! You'll enjoy nature walks, art and craft projects using items from nature, and much more. You will notice and hear things you've never observed before. It's going to be "back to nature" in this class!
ALL SPORTS CAMP	K-1	$0.00	SCORE! Let's play ball! Learning teamwork and having fun are the focus in this course. We will be trying out different kinds of sports from soccer and football to basketball and track. Children will have a chance to develop confidence, team work skills, and knowledge of a wide variety of sports. These sports will take place outside, weather permitting. Please bring something to drink as well as a snack.
ANIMALS & THEIR HABITATS	K-1	$0.00	This course explores Earth's major biomes- from lush rainforests to icy polar regions to the deep ocean. Students will discover how animals live, and come to a deeper understanding of biodiversity on our planet.
ANIMALS, ANIMALS, ANIMALS	K-1	$0.00	If you LOVE being around animals and want to learn more about them, this class is for you! Join us for animals games, art projects, stories and activities. Learn and practice animal safety and care, and even BE an animal.
BASKETBALL	K-1	$0.00	Fundamentals of basketball, basic rules, teamwork, fair play, sportsmanship, eye-hand coordination, winning and losing, large and small motor skills. This is an outdoor class.
BATTER UP	K-1	$0.00	Students will learn the fundamentals of baseball. We will practice hitting, catching, throwing and play games appropriate for their age and skill level. Please bring a glove and batting helmet.
BIKING	1-3	$0.00	Biking in Lake Mills: adventures and much more! When you sign-up for biking you will see Lake Mills like you've never seen it before. Each day will be a new adventure riding our bicycles through Lake Mills, learning bike safety, practicing bike skills and more. There will be an opportunity to leave your bike in a locked room through the week, if needed. Students must be able to ride a two-wheel bike. **Bicycle and helmet required.**
BOOK CLUB FANATIC JR	K-1	$0.00	Calling all readers! This class will focus on continuing to explore reading during the summer. Activities will include, but are not limited to, read to self-time, book clubs, walk and talk book club shares, trips to the public library and finding fun and cozy parks to read at around Lake Mills.
BOWLING	1-3	$20.00	"Strike!", "Turkey!", "Spare!" Come learn more bowling lingo. Students will receive instruction on bowling techniques, etiquette, how scoring works and get plenty of practice through a variety of games. Students will be transported to Hering's Fish Bowl in Lake Mills for daily bowling practice.
BRAINY BUILDERS	K-1	$0.00	Do you like to work with your hands? Brainy Builders is a course that will stretch your imagination and creativity using various building sets including: Erector Sets, Zoobmobiles, K'nex, marble runs, Capsela, snap circuits and more! Build anything you can imagine.
CRAFTS & HOBBIES	K-1	$0.00	Get "crafty" by using your hands and your imagination in this class. Students will have the opportunity to make a variety of crafts and maybe pick up a new hobby or two. Come join the fun!
CREATION STATION	K-1	$5.00	Get ready to mix, build, and create! In this hands-on summer class, students will explore a new project each day—making different kinds of slime and playdough, designing chalk art outside, folding and testing paper airplanes, building marshmallow-and-toothpick towers, and creating lego designs and so much more! Each activity encourages creativity, problem-solving, and teamwork while giving students something exciting to take home or test out. Perfect for kids who love to build, create, and get a little messy!
DINO DIG	K-1	$5.00	If you like dinosaurs, you are going to want to sign up for this class! Stop in to learn more about dinosaurs, paleontologists and fossils. Hope to see you there!
DRAW, DOODLE, DESIGN	K-1	$0.00	Do you love to draw? Do you enjoy doodling? Do you love to design? Then this is the class for you. You will have the opportunity to learn new skills. You will have the ability to use your imagination and creativity to be an awesome artist.
ES YOUTH THEATER DOUBLE SESSION CLASS	1-3	$10.00	Students will learn basic acting and staging techniques. They will also help in costume and prop development. A performance will be held in the high school auditorium. Daily attendance and performance attendance is required for this course.
EVERYTHING DISNEY	K-1	$0.00	If you love Disney, this is the class for you. Students will learn about the life/history of Walt Disney, theme park information, including planning a trip, using fast passes, lodgings, and much more!
FROZEN FACTORY	K-1	$10.00	Do you love indulging in frozen treats like ice cream, popsicles, or shaved ice? If so, welcome to Frozen Factory! In this cool class, we'll discover fun facts about frozen foods, read delicious books, and get creative in the kitchen. You'll have the chance to make ice cream, popsicles, shaved ice, and more! Join us for a sweet and chilly adventure this summer!

GAMES, GAMES, GAMES	K-1	$0.00	Come and enjoy playing games with old and new friends. We will have a mixture of indoor and outdoor games. Simple examples include: card game such as UNO, Old Maid, Go Fish; board games such as Chutes 'n Ladders, Candy Land, Racko, Pictionary, Checkers, Memory; outdoor games of kickball, relay races and more. You may also be able to bring in your own favorite game.
GAMES & SPORTS GALORE	K-1	$0.00	Participate in a variety of team sports and games in the gym like dodgeball, soccer, basketball, wiffle ball, capture the flag, just to name a few. We will also have time to play other individual outside playground games like four square or tag. Come have some fun with your friends and learn some rules and techniques at the same time all while enhancing your game play with others.
GARDENING	K-1	$0.00	Wouldn't it be neat to eat food grown right here at Lake Mills Elementary? Do you have an interest in being outdoors? Maybe taking care of our school and the environment? This could be the class for you! In this class we will plant, harvest, and give life to our very own school garden. You will also learn all of the different reasons that we need plants and crops to stay healthy. Come join the gardeners of LMES!
GUIDED DRAWING ADVENTURES	K-1	$0.00	Each day, students will enjoy an engaging read-aloud and create a guided drawing inspired by the story's characters, themes, or important moments. Steps will be modeled as students follow along, then they'll add color using crayons, watercolor, and more. We'll end with a daily gallery walk to celebrate everyone's unique creations. Perfect for students who love stories, art, and creativity!
HANDS IN CLAY DOUBLE SESSION CLASS	K-1	$13.00	This is an exploratory class in clay where students will use a variety of methods to create a number of fun projects including sculpture, pots, and masks. The first session is spent creating your art, while the second session is decorating your art.
JR. SPEED & AGILITY	K-1	$0.00	This course is designed to familiarize students with basic methods to improve coordination, speed, agility and power. We will work with jump ropes, agility ladders, plyometric boxes, cone drills, and the Dot Drill. The goal is for students to improve their running form and gain confidence in their locomotor movements.
LEGO MANIA	K-1	$0.00	Do you love to be creative? Do you love Legos? The Lego Mania is the class for you! This class will involve using your imagination. We will create new masterpieces each week based on characters, buildings, and places around our world. We will also explore the Lego.com website and create Lego designs online. This is a class you won't want to miss!
MOVERS & SHAKERS	K-1	$0.00	Do you love to move & groove? Come and enjoy this high energy dance party!
MINI MONET & FRIENDS	K-1	$7.00	Young artists will explore the colorful worlds of Vincent van Gogh and Claude Monet through stories, bright colors, and hands-on fun! Students will recreate famous paintings in their own way and create imaginative abstract art using different tools, textures, and techniques.
OUTDOOR FIELD GAMES	K-1	$0.00	Have fun playing and learning more about various field games in a non-competitive setting! Students will play a game each day including softball, boce, croquet, disc golf, frisbee, and kickball to name a few! Students will develop positive peer communication, interpersonal skills, social skills, and simply ways to spend summer outside! This class will offer students opportunities to participate in and contribute to team-building activities.
PUZZLES	K-1	$0.00	Do you love all types of puzzles? Students will use both fine motor and reasoning skills with a variety of jigsaw puzzles. Students will even be able to create and take home their own jigsaw puzzle.
SNACKALICIOUS	K-1	$10.00	Explore the food pyramid! What's a good snack choice? What is not? Why not? This course is designed to help young people learn and establish healthy eating habits. Healthy snacks daily. No 'cooking' involved. Walking field trips to local establishments may be included.
SOCCER	K-1	$0.00	Get ready to kick, pass, and score! This fun-filled class is all about learning the basics of soccer through exciting games and activities. Get ready to learn how to dribble, shoot, and work as a team to play the game. Whether you're new to soccer or just looking to improve, you'll have a blast while building your skills and playing with friends. Join us and become a soccer star this summer!
SUMMER SAMPLER BY RECOMMENDATION ONLY	K-1	$0.00	This class offers students the opportunity to get a sneak peek into our most popular summer courses, including Snackalicious, LEGO Mania, and Jr. Speed & Agility along with 25 minutes of intervention each day.
SURPRISE PARTY	K-1	$5.00	Do you love to read books AND do you love to make crafts? Then this is the class for you. At Surprise Party you will get to enjoy reading a variety of books, then use your imagination to create a craft!
TALES & TREATS	K-1 2-3	$3.00	This summer school enrichment class will combine literature with hands-on activities like snacks and crafts to engage students in a fun and educational experience. Each day will feature a story, followed by a related snack and craft activity that connects with the book's theme, characters, or setting.

UNDER THE BIG TOP	K-1	$5.00	Under the Big Top is a playful adventure where children step into the magical world of the circus! Inspired by classic circus acts, students create their own colorful props—strongman weights, elephant ears, clown accessories, and more. They will also practice fun "acts" like tightrope walking, clown performances, and silly circus skits. Through imaginative play, art, and movement, children build confidence, teamwork, creativity, and lots of laughter under their very own big top!
WALK N TALK	K-1	$5.00	Looking for a way to get moving this summer while enjoying nature and conversation with friends? This is the class for you! Each day is a new conversation and walking path around Legendary Lake Mills. Students will receive a pedometer to count their steps!
WRITERS LAB	K-1 2-3	$0.00	Take your imagination anywhere as students adventure through creating stories, poems, journals etc. Great way to keep writing throughout the summer.
X MARKS THE SPOT	K-1	$0.00	Are you ready for an exciting adventure? In X Marks the Spot, we'll embark on a daily treasure hunt to uncover hidden gems all around us! Each day, you'll follow clues, solve riddles, and uncover mysteries to find the treasure waiting to be discovered. Whether it's a puzzle to crack or a map to follow, your curiosity and teamwork will lead you to the prize! Join us for a thrilling quest where every day brings a new adventure, and every discovery is a treasure!

Course Name	Grade	Fee	Grades 2-3 Course Descriptions
ADVENTURES IN NATURE	2-3	$0.00	Spend some time in the great outdoors this summer! You'll enjoy nature walks, art and craft projects using items from nature, and much more. You will notice and hear things you've never observed before. It's going to be "back to nature" in this class!
BALLS OF FIRE	2-3	$0.00	Students will be taught a variety of sports involving balls. Team activities also will help improve self-confidence and sportsmanship.
BASKETBALL	2-3	$0.00	Fundamentals of basketball, basic rules, teamwork, fair play, sportsmanship, eye-hand coordination, winning and losing, large and small motor skills. This is an outdoor class.
BIKING	1-3	$0.00	Biking in Lake Mills: adventures and much more! When you sign-up for biking you will see Lake Mills like you've never seen it before. Each day will be a new adventure riding our bicycles through Lake Mills, learning bike safety, practicing bike skills and more. There will be an opportunity to leave your bike in a locked room through the week, if needed. Students must be able to ride a two-wheel bike. **Bicycle and helmet required.**
BOOK CLUB FANATICS JR	2-3	$0.00	Calling all readers! This class will focus on continuing to explore reading during the summer. Activities will include, but are not limited to, read to self-time, book clubs, walk and talk book club shares, trips to the public library and finding fun and cozy parks to read at around Lake Mills.
BOOM! BAM! WHOA! GRAPHIC NOVELS & COMIC CARTOONS	2-3	$0.00	Do you love action packed stories and adventure tales? Then this class is for you! Not only will class time be spent reading graphic novels and comics, but we will be studying the features of these high interest texts. Get your creative minds ready for reading, writing, designing and illustrating!
BOWLING	1-3	$20.00	"Strike!", "Turkey!", "Spare!" Come learn more bowling lingo. Students will receive instruction on bowling techniques, etiquette, how scoring works and get plenty of practice through a variety of games. Students will be transported to Hering's Fish Bowl in Lake Mills for daily bowling practice.
BRAINY BUILDERS	2-3	$0.00	Do you like to work with your hands? Brainy Builders is a course that will stretch your imagination and creativity using various building sets including: Erector Sets, Zoobmobiles, K'nex, marble runs, Capsela, snap circuits and more! Build anything you can imagine.
CHEER-READY, SET, GO!	2-3	$5.00	Come experience the basic fundamentals of cheerleading. This is a fun way to develop strength, flexibility, coordination, balance and body awareness. Get ready for loads of school spirit and fun where participants will learn basic routines and positive chants. Bring your enthusiasm!
COOL CAMPERS	2-3	$5.00	Explore and share all the tidbits that make camping fun for all. Nature walks, scavenger hunts, storytelling, games, wildlife studies, tent set-up and safety tips are just a few of the things that will be included. Get ready to be a cool camper!
CRAFTS & HOBBIES	2-3	$0.00	Get "crafty" by using your hands and your imagination in this class. Students will have the opportunity to make a variety of crafts and maybe pick up a new hobby or two. Come join the fun!
CRAZY FOR CARDS	2-3	$0.00	Are you looking for a game that you can take anywhere? Come join the fun where you will learn how to play a variety of games with a simple deck of cards. Members will learn new games and practice old favorites. This class is bound to provide fun for the whole family.
CREATION STATION	2-3	$5.00	Get ready to mix, build, and create! In this hands-on summer class, students will explore a new project each day—making different kinds of slime and playdough, designing chalk art outside, folding and testing paper airplanes, building marshmallow-and-toothpick towers, and creating lego designs and so much more! Each activity encourages creativity, problem-solving, and teamwork while giving students something exciting to take home or test out. Perfect for kids who love to build, create, and get a little messy!
CREATIVE COOKING	2-3	$12.00	Get ready to stir up some fun in the kitchen! In this hands-on class, young chefs will explore the world of cooking using small kitchen appliances like blenders, toasters, waffle makers, and more. Through easy, creative recipes, kids will learn basic cooking skills, food safety, and how to make tasty dishes that are both delicious and fun to prepare. From smoothie-making to mini pizzas and everything in between, this class is the perfect way for kids to get inspired and creative in the kitchen!
DANCE, DANCE, DANCE	2-3	$0.00	This high energy class gives students a chance to let loose, learn fun choreography to upbeat rhythmic music. This course will teach kids about different types of dances.
DRAW, DOODLE, DESIGN	2-3	$0.00	Do you love to draw? Do you enjoy doodling? Do you love to design? Then this is the class for you. You will have the opportunity to learn new skills. You will have the ability to use your imagination and creativity to be an awesome artist.
ES YOUTH THEATER DOUBLE SESSION CLASS	1-3	$10.00	Students will learn basic acting and staging techniques along with musical selections. A performance will be held in the high school auditorium. Daily attendance and performance attendance is required for this course.

FLAG FOOTBALL	2-3	$0.00	Join us this summer and play this popular sport! Plan to play flag football along with other running games and activities. Students signing up for this course will learn some fundamentals of this sport while having lots of opportunities to practice their skills. For boys and girls!
FROZEN FACTORY	2-3	$10.00	Do you love indulging in frozen treats like ice cream, popsicles, or shaved ice? If so, welcome to Frozen Factory! In this cool class, we'll discover fun facts about frozen foods, read delicious books, and get creative in the kitchen. You'll have the chance to make ice cream, popsicles, shaved ice, and more! Join us for a sweet and chilly adventure this summer!
FUN WITH FRENCH	2-3	$0.00	In Fun with French!, students will be able to explore the French language and culture. This course is full of French fun from learning the alphabet to form words and sentences, watching familiar movies that take place in France, and exploring other elements of French culture.
GAMES & SPORTS GALORE	2-3	$0.00	Participate in a variety of team sports and games in the gym like dodgeball, soccer, basketball, wiffle ball, capture the flag, just to name a few. We will also have time to play other individual outside playground games like four square or tag. Come have some fun with your friends and learn some rule and techniques at the same time all while enhancing your game play with others.
GAMES, GAMES, GAMES	2-3	$0.00	Come and enjoy playing games with old and new friends. We will have a mixture of indoor and outdoor games. Simple examples include: card game such as UNO, Old Maid, Go Fish; board games such as Chutes 'n Ladders, Candy Land, Racko, Pictionary, Checkers, Memory; outdoor games of kickball, relay races and more. You may also be able to bring in your own favorite game.
GARDENING	2-3	$0.00	Wouldn't it be neat to eat food grown right here at Lake Mills Elementary? Do you have an interest in being outdoors? Maybe taking care of our school and the environment? This could be the class for you! In this class we will plant, harvest, and give life to our very own school garden. You will also learn all of the different reasons that we need plants and crops to stay healthy. Come join the gardeners of LMES!
GUIDED DRAWING ADVENTURES	2-3	$0.00	Each day, students will enjoy an engaging read-aloud and create a guided drawing inspired by the story's characters, themes, or important moments. Steps will be modeled as students follow along, then they'll add color using crayons, watercolor, and more. We'll end with a daily gallery walk to celebrate everyone's unique creations. Perfect for students who love stories, art, and creativity!
HANDS IN CLAY DOUBLE SESSION CLASS	2-3	$13.00	This is an exploratory class in clay where students will use a variety of methods to create a number of fun projects including sculpture, pots, and masks. The first session is spent creating your art, while the second session is decorating your art.
JR. SPEED & AGILITY	2-3	$0.00	This course is designed to familiarize students with basic methods to improve coordination, speed, agility and power. We will work with jump ropes, agility ladders, plyometric boxes, cone drills, and the Dot Drill. The goal is for students to improve their running form and gain confidence in their locomotor movements.
LEGO MANIA	K-1 2-3	$0.00	Do you love to be creative? Do you love Legos? The Lego Mania is the class for you! This class will involve using your imagination. We will create new masterpieces each week based on characters, buildings, and places around our world. We will also explore the Lego.com website and create Lego designs online. This is a class you won't want to miss!
MARVELOUS ART	2-3	$5.00	Creativity never looked so good! Realistic and abstract projects are just waiting for you. You will explore and design with pencils, paint, oil pastels, chalk, crayons, ink and much more. Your sketch pad will be filled with masterpieces!
PAINT LIKE THE MASTERS	2-3	$7.00	In this creative summer class, students will learn about artists like Vincent van Gogh and Claude Monet and discover what makes their art special. Children will experiment with bold brushstrokes, soft watercolors, and exciting colors while creating their own mini-masterpieces.
SOCCER	2-3	$0.00	Get ready to kick, pass, and score! This fun-filled class is all about learning the basics of soccer through exciting games and activities. Get ready to learn how to dribble, shoot, and work as a team to play the game. Whether you're new to soccer or just looking to improve, you'll have a blast while building your skills and playing with friends. Join us and become a soccer star this summer!
SUMMER SAMPLER BY RECOMMENDATION ONLY	2-3	$0.00	This class offers students the opportunity to get a sneak peek into our most popular summer courses, including Snackalicious, LEGO Mania, and Jr. Speed & Agility along with 25 minutes of intervention each day.
SUMMERTIME GAMES	2-3	$0.00	This outdoor class is full of fun activities. We play outdoor games, blow bubbles, relay races and more. This class will teach students the skills needed to engage in different activities, physically and socially. Socially we will learn about playing fair, picking teams and solving problems. Activities include, but are not limited to: Kickball, Wiffle Ball, Capture the Flag, Bocce Ball, Ladder Golf and Washer Toss.

TALES & TREATS	2-3	$3.00	This summer school enrichment class will combine literature with hands-on activities like snacks and crafts to engage students in a fun and educational experience. Each day will feature a story, followed by a related snack and craft activity that connects with the book's theme, characters, or setting.
WALK N TALK	2-3	$5.00	Looking for a way to get moving this summer while enjoying nature and conversation with friends? This is the class for you! Each day is a new conversation and walking path around Legendary Lake Mills. Students will receive a pedometer to count their steps!
WRITERS LAB	2-3	$0.00	Take your imagination anywhere as students adventure through creating stories, poems, journals etc. Great way to keep writing throughout the summer.
X MARKS THE SPOT	2-3	$0.00	Are you ready for an exciting adventure? In X Marks the Spot, we'll embark on a daily treasure hunt to uncover hidden gems all around us! Each day, you'll follow clues, solve riddles, and uncover mysteries to find the treasure waiting to be discovered. Whether it's a puzzle to crack or a map to follow, your curiosity and teamwork will lead you to the prize! Join us for a thrilling quest where every day brings a new adventure, and every discovery is a treasure!

Course Name	Grade	Fee	Grades 4-7 Course Descriptions
BABYSITTING DOUBLE SESSION CLASS	5-7	$15.00	This class will explore many facets of taking care of babies and children. Included will be topics such as feeding, diapering, playtime activities, basic first-aid, handling emergency situations, and providing a safe and happy environment for children. The class will culminate with making babysitting kits to take on the job. Students will receive a certificate showing completion of the course and business cards to share with families they know.
BAKING 101	4-7	$15.00	Do you love spending hours in the kitchen, baking away the day? Spend this class doing just that! We will make a variety of cookies, bars, cakes, breads, and other confections. Learn the amazing science and exquisite art of baking all in a fun and relaxed environment.
BASEBALL	4-7	$0.00	This course will not only train, but motivate the developing baseball player. On field instruction will include fielding (position specific), hitting, pitching and base running. Each player will improve their arm strength through a long toss program and band training. The players will also participate in instructional games, putting their skills into action. Please bring a baseball glove.
BASKETBALL	4-6 5-7	$0.00	This co-ed course is designed for students in grades 4–7 who want to build strong basketball fundamentals and take their game to the next level. Players will develop individual offensive and defensive skills, including ball handling, shooting, footwork, and one-on-one moves. Team offense and defensive concepts will also be introduced and reinforced through structured drills and game play. Each session includes competitive drills and games to help athletes grow their skills, confidence, and basketball IQ. Come ready to work, compete, and improve!
BIKING DOUBLE PERIOD CLASS	4-7	$0.00	Biking, biking and more biking! Be adventurous and discover all of Lake Mills on your bikes. You'll be biking all around town to places like The Lake Mills Market, Sandy Beach, Bartel's Beach, the Glacial Drumlin Bike Trail and more! All the biking we will do will teach you the rules of the road and bicycle safety. You will need a bike helmet and bike everyday because we will be biking every day! You will have the opportunity to leave your bike in a locked room overnight if needed.
BOARD GAMES	4-6	$0.00	Join us for a fun and engaging summer class where students explore a variety of board games while building critical thinking, strategy, and teamwork skills. From classic favorites to new challenges, students will learn game rules, practice good sportsmanship, and develop problem-solving skills through friendly competition. Whether your child loves strategy, luck, or fast-paced fun, there's a game for everyone!
BOOK CLUB FANATICS	4-7	$0.00	This course is meant to offer middle school students the opportunity to continue on in their journey as readers. Students will read several high interest young adult novels while enjoying everything summer has to offer. Students will participate in engaging book club conversations with their peers challenging themselves as readers and young thinkers. This is a great opportunity for students to interact with friends while enjoying a good book! This course will allow students to travel to various locations around Lake Mills such as the library, Rock Lake beach front, various parks, and coffee shops. Who says reading is only for the indoors? This course is guaranteed to knock your socks off!
BOWLING	4-6 5-7	$20.00	"Strike!", "Turkey!", "Spare!" Come learn more bowling lingo. Students will receive instruction on bowling techniques, etiquette, how scoring works and get plenty of practice through a variety of games. Students will be transported to Hering's Fish Bowl in Lake Mills for daily bowling practice.
CALLIGRAPHY	6-7	$5.00	This school summer class brings cursive and calligraphy to life through creativity and hands-on projects. Students will practice elegant cursive handwriting and learn the basics of calligraphy, including lettering styles, spacing, and decorative flourishes. Along the way, they'll create fun projects like illustrated quotes, personalized bookmarks, greeting cards, mini posters, and a lettering journal. By the end of the class, students will build confidence in their handwriting and leave with a collection of beautifully lettered pieces they'll be proud to share.
CRAFTS & HOBBIES	4-6 5-7	$0.00	Get "crafty" by using your hands and your imagination in the class. Students will have the opportunity to make a variety of crafts and maybe pick up a new hobby or two. Come join the fun!
DRAW, DOODLE, DESIGN	4-6 5-7	$0.00	Do you love to draw? Do you enjoy doodling? Do you love to design? Then this is the class for you. You will have the opportunity to learn new skills. You will have the ability to use your imagination and creativity to be an awesome artist.
DND	4-7	$0.00	In this exciting summer course, students will explore the world of Dungeons & Dragons through collaborative storytelling, creative problem-solving, and imaginative adventures. Players will create their own characters, work as a team to overcome challenges, and build confidence in communication and critical thinking skills. No prior experience is needed—just creativity, teamwork, and a sense of adventure!
EDUCATIONAL MINECRAFT	4-6 5-7	$0.00	In this engaging summer course, students will use Minecraft: Education Edition to explore creativity, problem-solving, and teamwork in a structured learning environment. Through guided challenges and collaborative builds, students will strengthen skills in critical thinking, design, and digital citizenship. Whether constructing detailed worlds or solving interactive tasks, participants will learn while having fun in a safe and supportive setting. No prior experience required!

FISH THE ROCK DOUBLE PERIOD CLASS	4-7	$0.00	Grab your fishing rod and tackle box and head down to the lake for some cool fun on a hot sunny summer day! For beginners and pros, boys and girls ... learn some new techniques and practice the basics. Cast away!
GAMING ACADEMY	5-7	$0.00	This course focuses on providing enrichment opportunities to students in the world of computer gaming. We will create a positive learning community that encourages creative thinking and strategies while exploring a variety of games. Bring your thinking cap!
GET IN THE GAME	4-6 5-7	$0.00	Experience a variety of games. Basic skills will be introduced for each game, and then we will play! Some of the outdoor games include, but are not limited to; football, soccer, kickball, Pirates of the Caribbean, etc. We will also play a variation of different indoor games every day too. If you like to play all kinds of games, then this is the class for you!
GOLF	4-7	$0.00	This course will focus on the development of beginning skills and the playing of the game of golf. Students will have the opportunity to practice at the golf course and driving range. Your own clubs are a plus, but not required. This course will take place at the high school, golf course.
HANDS IN CLAY DOUBLE SESSION CLASS	4-6 5-7	$13.00	This is an exploratory class in clay where students will have the opportunity to learn a variety of hand-building methods used to create sculptural and functional pieces. An introduction to wheelwork may be included.
HARRY POTTER 101	4-7	$5.00	Welcome to the wonderful wizarding world of Harry Potter! This class will include reading Harry Potter books and watching one of the movies. We will be making magical treats, playing Quidditch, making wizard crafts and potions and sorting which house we will be in. Muggles are welcome to join.
KITCHEN MAGIC	4-5 6-7	$10.00	Kitchen Magic will take you on an adventure, whether a beginner or an advanced book. You will learn to make delicious breakfast, lunch and dinner foods as well as two additional units: microwave cooking and desserts. Kitchen magic will make you more organized and independent in the kitchen.
LM POWER: LIFTING FOUNDATIONS	4-6	$0.00	Students that are interested in weight room activities later on in their development in middle school but want to get a head start on learning the exercises, etiquette, and fundamentals through body weight exercises. Students will be taken through basic workouts teaching body weight strengthening, flexibility, and mobility movement patterns.
MINUTE TO WIN IT!	4-6 5-7	$0.00	Everyday will provide you the opportunity to try and master 2 to 3 new 'Minute to Win It' challenges. Do you have what it takes to complete the task it in a minute?
MS YOUTH THEATER DOUBLE SESSION/DOUBLE PERIOD	4-7	$10.00	Be part of the Summer School Theater Production! Students will have an opportunity to explore all aspects of putting on a great show. We need actors, stage hands, and assistant directors! Consistent attendance is required for all acting parts.
ORIGAMI	4-6 5-7	$3.00	Origami is the Japanese art of folding paper as a modern art form. The goal of this art is to transform a flat sheet of paper into a finished sculpture through folding and sculpting techniques. Principles of Origami can be used in decorations, packaging and engineering activities. You can learn how to create interesting shapes and figures!
OUTDOOR FIELD GAMES	4-6	$0.00	Have fun playing and learning more about various field games in a non-competitive setting! Students will play a game each day each day including softball, bocce, croquet, disc golf, frisbee, and kickball to name a few! Students will develop positive peer communication, interpersonal skills, social skills, and simply ways to spend summer outside! This class will offer student opportunities to participate in and contribute to team-building activities.
PAPER HOUSES	4-5 6-7	$5.00	In this summer school class, students will design and build paper houses, otherwise known as Putz houses—miniature decorative buildings traditionally made in Germany for Christmas village displays. Students will explore the history of Putz houses, sketch their own designs, and construct one-of-a-kind houses using cardboard, paper, paint, and mixed materials. Along the way, they'll learn basic model-making techniques, surface decoration, and creative problem-solving. Each student will finish the class with handcrafted Putz houses ready to display —a small structure packed with big creativity.
PUZZLEMANIA	4-5 6-7	$0.00	An interactive summer school class where students build traditional puzzles, spark thoughtful conversations, and stretch their brains with clever challenges. Students will construct and solve jigsaw and logic puzzles, tackle brain teasers and riddles, and discuss problem-solving strategies as a group. Through collaborative games, discussion-based challenges, and creative thinking activities, students will strengthen reasoning skills, communication, and teamwork—all while having fun and keeping their minds active.
RUN CLUB	4-5 6-7	$0.00	Unlock your inner athlete this summer! Whether you are looking to shave seconds off your mile time or just want to find a fun way to stay active, L-Cat Rub Club is the place to be! This high-energy club goes far beyond just "running laps." In addition to running, we will dive into the science and strategies of being a safe, healthy, and strong runner. Race you there!
SNACK ATTACK	4-5 6-7	$15.00	Learn ... Make ... EAT! Begin to learn your way around the kitchen while making treats that are easy, fun and yummy. We won't bake, but we'll mix, measure, fry, stir, decorate and microwave. You'll want to dazzle your family by remaking these kid-friendly recipes at home.

SOCCER	4-5 6-7	$0.00	Soccer is known as the world's sport. Students will learn and enhance the fundamentals of soccer and play games. This class is open to boys and girls that are anywhere from beginning soccer players, to advanced soccer players. Every day students will learn new skills including; correct dribbling and trapping techniques, different styles of passes and shots, as well as goalie fundamentals. Also, each day will consist of different types of soccer games. A few of the different games to be played are; World Cup, 1 vs 1 Tournaments, 3 vs 3 Tournaments, Soccer-Golf, Soccer Lightning and much more! This will be a great chance to play soccer with your peers, and enhance your soccer skills this summer! This course will take place at the high school.
SPORTS UNIVERSITY	4-6 5-7	$0.00	Get ready to play outdoor games, create relay races & team challenges and much more. This class will teach students the skills needed to engage in different activities and learn about playing fair, picking teams, solving problems. Activities include, but not limited to: Kickball, Wiffle ball, Capture the Flag, Bocce Ball, Ladder Golf, Washer Toss
STEP INTO SUMMER	4-7	$3.00	Looking for a refreshing summer experience? Check out Step Into Summer, a class designed to help you relax, enjoy nature, and connect with others. Each day, we'll take a walk and explore Lake Mills, while chatting, reflecting, and creating new memories with classmates. Whether it's sharing stories, playing fun games, or simply appreciating the beauty around us, this class is all about stepping away from screens, embracing the outdoors, and building friendships in a laid-back, positive environment. Join us for an unforgettable summer of friendship, fresh air, and fun!
TAPE IT TO MAKE IT!	4-7	$5.00	Have you ever wondered what you could create with a little imagination and some tape? Come join us for a fun-filled DIY class where you will have the chance to use Duct Tape to create a variety of items. Everyone is welcome and encouraged to come check out this new class and see how to "Tape it to Make it"!
TENNIS	4-5 6-7	$0.00	This course introduces fundamentals of tennis in a fun and active setting. Students will learn basic strokes, serving, footwork, scoring, and rules of play through drills and games. Emphasis is placed on skill development, sportsmanship, and participation. Open to all skill levels; no prior experience required. Please bring a tennis racquet if you have one.
TOP CHEF - LAKE MILLS DOUBLE PERIOD CLASS	5-7	$15.00	If you like the show Top Chef then you are going to LOVE the chance to participate in this class! Students will have the opportunity to learn or perfect their cooking skills before showing off new talents in a friendly competition. Categories might include: appetizer, snack, breakfast, sandwich/burger, and/or dessert. Anyone who knows Top Chef knows that the decision will come down to the judges ... who will be crowned Top Chef - Lake Mills?
TOTAL ATHLETIC PERFORMANCE	4-5 6-7	$0.00	A dynamic training course designed for athletes at all levels. Open to both boys and girls, this program focuses on developing the full spectrum of athletic abilities, including strength, speed, agility, flexibility, and overall conditioning. Athletes will engage in comprehensive strength training to build power and endurance, while conditioning exercises will improve cardiovascular fitness, stamina, and recovery. Speed drills will enhance quickness and acceleration, and agility training will sharpen reaction time and coordination. Flexibility routines will be incorporated to improve mobility and prevent injuries. With a combination of sport-specific drills, functional exercises, and personalized coaching, Total Athletic Performance empowers athletes to enhance their fitness, elevate performance, and develop the well-rounded athletic foundation needed to succeed in any sport.
VOLLEYBALL	4-7	$0.00	Pass! Set! Spike! Ace! In this class you will learn and practice both fundamentals and advanced skills of volleyball.
WEARABLE ART	4-7	$8.00	In this class we will create many crafts that students can wear. We will be making objects to decorate backpacks and necklaces/chokers that can be made to suit your style with washers, guitar picks or beads. We will create "fried marbles" and use the popular paracord. We'll even decorate a shirt with a unique techniquel Come join the creativity. You won't want to stop making crafts!
WEIGHT TRAINING (MS) DOUBLE PERIOD CLASS	6-7	$0.00	Students will be taken through exercises to help them in strength development, muscle endurance, mobility, flexibility, speed, quickness, acceleration, and overall movement patterns to help them become a better overall athlete. Session will consist of spending half the time in the weight room and the other half spent on turf/court/track. While improving athleticism students will be taught proper protocols and etiquette using a fitness center. Compared to the high school class this session is spent on the basics and fundamentals, while having more one-on-one instruction so the student athlete gets what he/she needs. This class will be held in the High School weight room.

Course Name	Grade	Fee	Grades 8-11 Course Descriptions
TEACHER AIDE	8-11	$0.00	Are you interested in helping out with the classes you loved when you were younger? This is a great chance to explore working with children in the future and gain valuable volunteer experience! You may even receive a letter of recommendation from Mr. Smith for use when applying to colleges or jobs! As a Teacher Assistant, you'll get hands-on experience in a classroom setting and play an important role in supporting the learning process. This is also an excellent stepping stone to future paid opportunities within the Summer School program. Interested in helping students with disabilities? That's an option too! Please make sure to note any areas of interest on your application! Applications will be accepted via Google Form, and positions will be filled based on the needs of the Summer School Program.
WEIGHT TRAINING DOUBLE SESSION CLASS	8-11	$0.00	Students will be taken through exercises to help them in strength development, muscle endurance, mobility, flexibility, speed, quickness, acceleration, and overall movement patterns to help them become a better overall athlete. Session will consist of spending half the time in the weight room and the other half spent on turf/court/track. While improving athleticism students will be taught proper protocols and etiquette using a fitness center. Sessions will run from 6:30-8 AM and 8-9:30 AM in the High School weight room.

Camp Name	Grade	Fee	Camp Descriptions
