Welcome

Get to Know Your Tablemates

1. What's something from your childhood you wish would make a comeback?
2. Would you rather always be 10 minutes late or 20 minutes early?
3. If you could master any skill overnight, what would you choose?
4. What's a small habit or routine that instantly makes your day better?
5. If your high school had a time capsule, what's one thing you would put inside to represent your senior year?
6. If you could go back and give your high school self one piece of advice, what would it be?
7. Would you rather have unlimited free food at your favorite restaurant or unlimited free tickets to your favorite sports team or artist?
8. What movie, TV show, or book do you quote the most?
9. If you could add one new holiday to the calendar, what would it celebrate?
10. What's something you've done that always surprises people when they find out?

The Student Attendance and Accounting Handbook defines operational minutes as **the time from the first school bell to the last school bell** (bell to bell).

In accordance with the District's innovation plan, the District is exempt from the state law that generally prohibits instruction for students from beginning before the fourth Monday in August. **Instruction for students shall begin no earlier than the first week of August.**

EB(LOCAL)

TEC 21.401 requires that **teachers employed under a 10-month contract** provide a minimum of **187 days of service**.
