Introduction

Thank you for the opportunity to quote and perform this project. We are confident that the video surveillance solution proposed will provide adequate visual coverage for your areas of concern.

Fusion Connex is a company committed to meeting and exceeding expectation of its Clients and always takes a best practice, no shortcuts approach to video surveillance design and installation. You can rest assured that your best interests – from functionality to privacy and security – are at the forefront of everything we do. Meeting your needs is the most important aspect of our business model.

This document represents our understanding of the project requirements and a proposed solution. It also defines the scope of work, roles and responsibilities, time and cost, and the terms and conditions of the project.

Upon approval and sign-off by Timberlane Regional School District and Fusion Connex, this document serves as the agreed upon statement of work for the project set forth. Any deviation from the details outlined in this document must be mutually agreed upon by client and Fusion and shall be published in writing as an addendum to this statement of work.

Project Description

Sale and installation of Ruckus R710's.
