TRANSFER OF APPROPRIATION (FUNDS)

It is the intent of the School Board to limit its spending to the amount specified for each line item. However, the Superintendent is authorized to transfer funds between line items when necessary to achieve school Board policy goals, except that excess funds may not be transferred from the Unemployment Compensation line item.

Any transfer of non-grant funds between object codes (expense code) that is \$5,000 or more requires School Board approval in advance.
