To Whom It May Concern:

The Department of Education is in receipt of the School Approval paperwork and School Board Minutes for the changes to the grades within the Timberlane School District. The following changes will be made in the database on 7/15/15:

- Pollard Elementary School will drop the Timberlane Early Learning Center which consists of the students in the districtwide preschool program only. The preschool enrollment will drop but the school will remain PK,K,1-5.
- Sandown Central School will drop grades 4 and 5 and will add PK and K.
- Sandown North School will drop PK and K and will be 1-5.

Thank you,

Judy Fillion
