RE: Superintendent Search Recommendation Letter Dated March 5, 2026

Dear President Rose,

Thank you for your letter dated March 5, 2026, recommending the appointment of Dr. [REDACTED] as Superintendent for the District. We commend the work of the Board during the search process done in coordination with Southern Westchester BOCES serving as the search consultant. In our role as state monitors, we observed the search process and attended all meetings in person or virtually, including the interview of candidates.

After careful consideration and under the authority provided to state monitors in state law, we disapprove of the Board's recommendation. In accordance with state law, please recommend a new candidate for the monitors to consider for approval or disapproval.

Respectfully submitted,

Shelley Jallow
