

LETTER OF REFERENCE FOR BEN MILITELLO

On behalf of the Timberlane Regional School Board, it is my pleasure to offer this letter of reference for Ben Militello. I would be remiss without first noting our expression of sincere gratitude and appreciation for Ben's professional and dedicated service as student representative to the Timberlane Regional School Board for the past year. He is a bright, articulate, dedicated, and valued member of the student community, who takes great pride in everything he does. He was an excellent student representative to the School Board.

The position of student representative was created in 2006 to establish a communication link between the Timberlane Regional School Board and the student body. Ben was selected in June of 2013 with the responsibility of seeking and reflecting fellow students' concerns and positions on school matters, providing bi-monthly reports to the board, and offering opinions for consideration on agenda items.

A dedicated student leader, Ben brought with him a passion and a desire to improve the public's perception of the Timberlane Regional High School and the district as a whole, especially when sharing the student perspective on a variety of issues. His attentive participation and thoughtful, positive contributions throughout his tenure on the Board were invaluable to us.

Ben should be commended for his leadership as a Timberlane student, and for his commitment to the board over the past year. Ben has set a high standard for those who will follow, and his presence will be greatly missed. He is an optimistic, engaged young man who exhibits good judgment. We, individually and as a board, are convinced that Ben will succeed in whatever task or challenge is before him and we further assert our whole-hearted recommendation that you give him your most serious consideration in his pursuits. We welcome the opportunity to offer additional comments and recommendation.

Sincerely,

Robert Collins, Chair
Timberlane Regional School Board
