

Job Posting Announcement – Middle Science/Math Teacher

Middle School Science Teacher-Position Summary

Paulo Freire Freedom School-University seeks a middle school educator with a demonstrated background and interest in integrated project based learning curriculum and a commitment to the whole child. The school's approach centers around collaboration, thoughtful innovation, team building and leveraging diverse and multiple perspectives.

About CITY Center for Collaborative Learning

CITY Center for Collaborative Learning designs, implements, and advances innovations in teaching and learning that transform the lives of young people and their educators. The Tucson-based nonprofit offers professional development and community engagement experiences for educators and education advocates, while leading three small secondary schools that serve as demonstration sites.

Specific functions include:

- Design, plan and implement science classes using project-based and competency-based learning models
- Plan and facilitate an Advisory for approximately 13 students
- Integrate Culturally Responsive Teaching, Project-based Learning, Cooperative Learning, Differentiated Instruction, Universal Design for Learning, and Competency-based Assessments
- Co-plan and co-teach with Support Services Department
- Engage with community partners to provide place-based instruction and hands-on learning experiences
- Willingness to understand, practice, and promote personalized wellness and belonging initiatives
- Provide accommodations and modifications as outlined in students' IEPs or 504 Plans
- Participate in professional development activities

Qualifications:

- Bachelor's degree (or higher) required
- Teacher certification and highly qualified status in middle school or secondary math and/or science preferred;
- Teaching experience with middle school students preferred
- Demonstrated success as a collaborative professional
- Strong work ethic, interpersonal skills, initiative and independence
- Commitment to ethnic diversity, heterogeneous grouping, and inclusion
- Knowledge of Arizona Science Standards

Job Type: Full time

Salary: Competitive annual teacher salary starting at \$55,000 per year, based on experience.

Benefits: Competitive health insurance benefits; Arizona State Retirement System participation

Work Year: Based on the approved school-year calendar, approximately August 1-June 1

Location: Tucson, AZ
