

# BACCALAUREATE

## *What is it?*

### **A Meaningful Tradition**

**A baccalaureate ceremony is a long-standing graduation tradition that offers seniors a moment to pause, reflect, and celebrate their journey.**

### **Non-Denominational & Inclusive**

**While rooted in religious history, today's ceremonies are non-denominational, welcoming students of all beliefs and backgrounds.**

### **A Time for Reflection**

**Students hear inspiring messages, music, and speeches focused on growth, gratitude, and the future.**

### **Community & Connection**

**It brings classmates, families, and staff together in a supportive, uplifting environment before graduation.**

### **Celebrating the Journey Ahead**

**More than anything, it's a chance to honor how far students have come—and look forward to what's next.**
