### VISTA Vision:

Washington Elementary School District (WESD) is proud to serve a diverse population of over 20,000 students. Our students and their families represent multiple ethnicities and a wide range of home languages and cultures. The varied talents, backgrounds and expertise of our students' families and community members greatly support student success. WESD leadership and staff place a high priority on being deeply knowledgeable about each student's unique home and community experiences and cultural background. School leaders, staff, students, families and community members work in partnership to develop practices and make decisions that create and continuously improve equity, diversity and inclusion in WESD.
