Parent Request for School Assistance with Medication

I understand that school district regulations require student medication to be maintained in a secure place under the direction of an adult employee of the school district and not carried on the person of a student (with the exception of asthma inhalers and epinephrine auto-injectors accompanied by appropriate physician instructions.)

A. I hereby request that the staff of my child's school assist in giving medication to my child during school hours as stated in the physician instructions. I also give permission to contact the physician for consultation and exchange of information as needed.
