

We are pleased that your daughter or son has decided to attend an overnight summer camp. We believe that by bringing together the students in our school in a camp environment, we can make huge progress in preparation for our next school year. During the camp, we count on the students to behave in a mature and responsible manner and to remember that they are representing their school and community at all times. Because we wish to ensure the safety of your student as well as other participants, we have developed the following behavioral expectations that we would like you to review with your student.

1. Attend all camp activities at the designated times and places. Students who cannot commit to the entire camp may not attend, unless prior arrangements are made with the Activities Director, Athletic Director or Coach. For the duration of the camp, students cannot deviate from the stated schedule. Students may not accompany anyone else with alternate plans during the sports camp.
2. Always display the appropriate mode of attire and behavior that is representative of any student. Students may dress casually, but appropriately, when not participating in the camp activities, practices or games. Students wearing controversial clothing will be asked to change. No clothing with ads for alcohol, tobacco, drugs, or with profanity, sexual pictures, or inference to these items is allowed. Students will refrain from the use of electronic devices, including cell phones and hand-held games during any meeting, workshop or general session.
3. Respect the rights and safety of others. Students exhibiting irresponsible behavior that endangers the health, safety, or welfare of themselves, or any student engaging in inappropriate conduct as determined by the Richland School District and the Camp Coordinators, will be sent home immediately at his or her own expense.
4. Inform an adult if a problem arises. The safety and well being of all students attending this camp is of the utmost importance. For this reason, if at any time during the camp an incident occurs that makes the student feel threatened or intimidated, he or she should tell his or her advisor, coach or a Camp adult staff member.
5. Be courteous to the hosts. As guests at the camp, students should observe any reasonable requests or rules made by the hosts. All students must remain in assigned quarters for the duration of the sports camp. Once a student reaches the time of evening bed-check, they are expected to stay in their rooms.
6. Stay only in their assigned rooms and take care of that room. Students must notify their advisor/coach if they are having serious difficulties in a room. If necessary, another room will be assigned. Students should keep their rooms clean and neat during the camp. Students are responsible for any damage to the room during their stay there.
7. Understand that the use, sale, or possession of tobacco, alcohol, or illegal drugs as well as the possession of any type of weapon is strictly prohibited. Any student found possessing or under the influence of any illegal drug or alcohol, or possessing a weapon will be expelled from the camp, turned over to their advisor/coach and sent home immediately at participant's expense. The student's school principal and parents will be notified of the infraction. Participants should also be aware that they are subject to federal, state and local laws, and may be prosecuted by the appropriate authorities for alcohol or drug related offenses.
8. Stay in a safe, supervised environment. Unsupervised students may not leave the camp at any time.
9. Respect the property of others. Students are not to take objects from the camp areas or any property visited. Students are expected to leave the facilities cleaner than when they arrived. Students must take great care not to do any damage to the facilities that they use during camp.
10. Fill out all RSD clearance forms for camp.
11. Campers must travel to and from camp in RSD provided transportation unless prior arrangements are made with the Activities Director, Athletic Director or Coach. Campers may not transport themselves to camp. Campers may travel with a parent, or travel with a parent of another camper with their parent's, advisor's, Activities Director's, coach's or Athletic Director's prior permission and appropriate paperwork. There shall be NO driving of any motor vehicle (including motorcycles and mopeds) by student campers during the camp. Campers may not ride in a motor vehicle being operated by a student.

Your signatures below indicate that you have read and discussed the above guidelines with your student and are in agreement with these expectations.
