The purpose of the UUSD Summer Bridge Academy is to provide extended learning opportunities for our TK-5th-grade students. This program is geared primarily toward our foster students, students who qualify for free and reduced meals, and English learners.

Our program will be a five-week session with integrated units of study focused on developing students' reading, math, and social skills in the morning, and extended enrichment with sports and a focus on exploration and adventure in the afternoon. All classes will be in-person at the schools indicated above. All students, from every site, may attend.

*Students with learning gaps will have priority acceptance.*
