School Disco

March 2026

Thursday 23rd April 2026-
5:30-6:30pm

Dear Parents/Guardians,

We would like to invite your child to attend the annual Spring FOSPS disco on Thursday 23rd April 2026. The disco will take place in the school hall between 5:30 -6:30pm at a cost of £1. If you would like your child to attend the Spring Disco, please make payment via your child's My Child at School App. The Spring disco can be located under the "Clubs" section and will be available from Friday 27th March 2026.

Your child/children will then be issued with a ticket, which they should bring with them on the night. Tickets will be sent home with children during the week commencing 20th April. However, please do not worry if the ticket is misplaced, your child's name simply needs to be on the list.

Please ensure your child is collected promptly at the end of the disco by an adult. We also ask that children do not bring cameras or mobile phones, and that coats are taken home, as they cannot be stored during the event

In line with health and safety requirements, we can no longer allow children to attend who are not part of Southam Primary School. Additionally, children may only attend their own disco and must not attend others.

Parents are not required to stay; however, we would appreciate some volunteers to help on the evening. We follow the school's safeguarding policy, and therefore mobile phones must not be visible within the premises. DBS-checked FOSPS members will be available to accompany children to the toilet.

Please complete the slip below with emergency contact details for your child for that evening. Also, please can you provide the name of the adult who will be collecting your child at the end of the disco and return the form to the school office. Should on the evening, the named person collecting your child has changed please make sure you speak to a FOSPS member to notify them of the change

If you are able to help on the evening, then please also complete the second part of the slip and a member of FOSPS will contact you if needed.

Thank you.
FOSPS Team
