

For Immediate Release:

Rotary Youth Exchange looking for Host families for the 2026-27 school year.

The Rotary Club of Zelenople is looking for families in the Seneca Valley School District interested in hosting a foreign exchange student for partial or full school term.

The Rotary Youth Exchange program's objective is to foster world peace, international understanding and goodwill by providing connections between local families and high school students who live outside the USA. We also offer opportunities for local students to travel abroad for the school year to learn about other countries' customs.

Families who host a student can learn about a new culture and share the traditions of their family with that student. Many of our former host families have enjoyed lifelong connections with the student years after the exchange!

Area families are invited to apply to host an in-bound student at www.exchangestudent.org for the 2026-27 School Year. It is our goal to have 2-3 host families per school year, so the student gets to enjoy a variety of experiences but may depend on the availability of host families.

All families, even those without children, are encouraged to apply to be hosts. Any reputable area family is eligible to host an exchange student.

For more information about our Exchange program or, how to become a host family,

Please contact Beth Marshall, (724) 624-4057 harriettclyde@gmail.com
