Dual Enrollment

All Things Dual Enrollment

What: Review the updates to Dual Enrollment beginning with the 2026-2027 school year

How: Through presentation and conversation

Why: To ensure families are aware of the dual enrollment opportunities that they can access during the school year.

Early College Program

Associate of Arts & Sciences degree

Designed for a student to access college curriculum on the campus of Carroll Community College.

Students earn 60 credits and are awarded an AA degree.

Academic Opportunities

- Career & Technology Center Programs
- AP Course offerings
- Dual Enrollment
- AP Diploma
- Early College Program

Types of Dual Enrollment

EC: Early College Program – earn an AA degree

DE: Dual Enrollment - options

Non-Credit: Licensure and Certification Programs

Early College Program

- CCPS Paid
- Students in class of 2027 and beyond
- Must have 3.0 cumulative (unweighted) GPA (through 10th grade)
- Be eligible for ENGL-101 and college-level mathematics

Early College Program

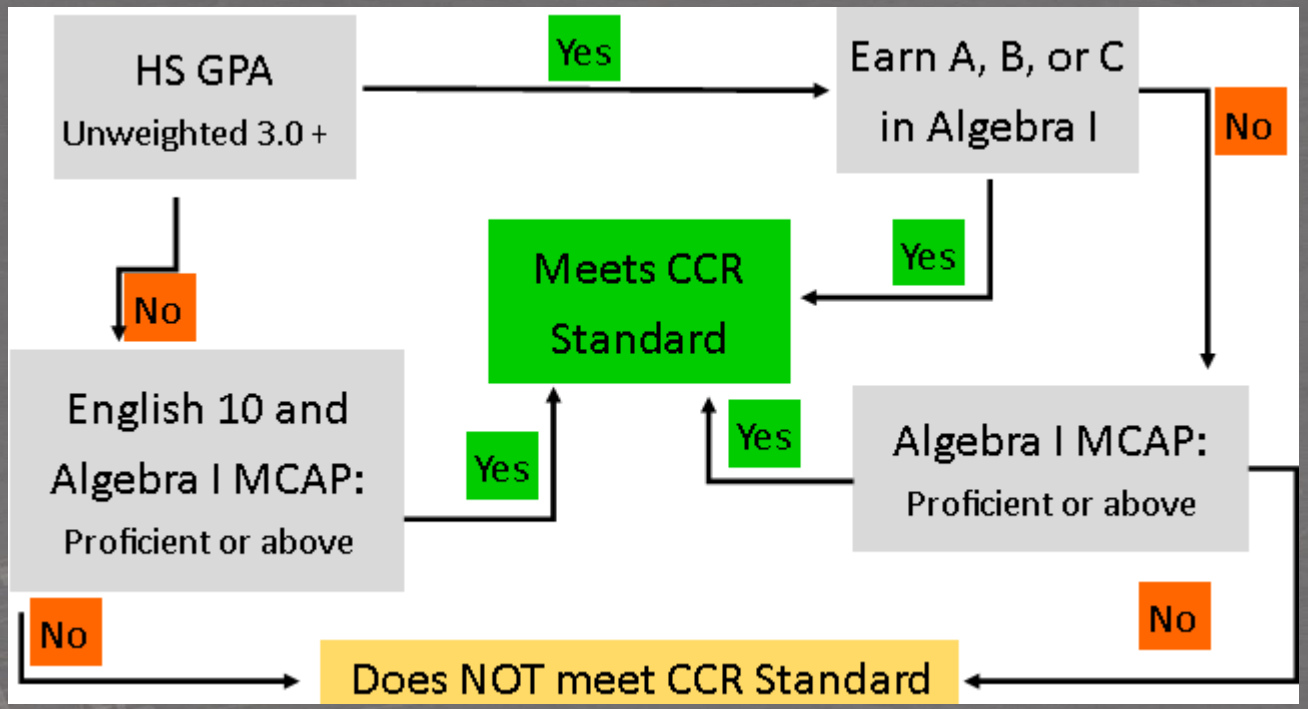

- Must have their own transportation to CCC campus
- Students must have completed all 9th and 10th grade requirements including state testing.
- Students must be deemed CCR

Cost & CCR

For a student to access approved dual enrollment courses free of cost, they will need to be deemed College and Career Ready (CCR).

CCR Status

Currently, students can be deemed CCR at the conclusion of 10th grade.

Early College Program

Associate of Arts & Sciences degree

Courses - CCPS will cover the cost of tuition, materials, and fees for the students in the program.

The Early College program consists of the following courses:

Fall - year #1	Spring - year #1	Fall - year #2	Spring - year #2
ENGL - 101	HLTH - 101	ENGL - 102	SOC – 215
MATH - 113	PSYC - 101	MATH - 115	GEOSCI – 103
HIST - 110	COMM - 201	ART - 125	PHIL – 105
FN - 100	BIOL - 101	HLTH - 225	COMM – 205
SOC - 101		PSYC - 211	ECON – 100
16 credits	13 credits	16 credits	15 credits

** Courses highlighted will meet high school graduation requirement*

Early College Program

Associate of Arts & Sciences degree

- Students apply Fall of 10th grade
  - (Class of 2029, 2030)
- Must have own transportation
- Student will NOT be at LHS during the 11th and 12th grade.

Early College Program

Associate of Arts & Sciences degree

- Must have completed all 9th & 10th grade requirements, including any statewide testing.
  - English 9, English 10, Government, US History
  - Science: Physics, Chemistry, & Biology
  - Algebra 1 & Geometry (minimum)
  - World Language (2 credits minimum)
  - Technology, and both PE & Health credits

Frequently Asked

Can AP credit from 9th or 10th grade be used toward the AA/early college program?

- No.

Can students take a CCCTC program (if accepted) at the same time as the Early College program?

- No. Students are full time CCC students and do not take any high school CCPS courses.

Frequently Asked

Can students participate in high school sports while earning their AA degree with CCC?

- Yes
  - (Students should be mindful to schedule classes that do not conflict with practices / games)

Frequently Asked

Can students swap approved classes if they pay for them and still earn their AA degree?

- Yes, they can, particularly math and science. Consult with CCC early college program advisor. For example, exchange MATH 113 for a higher math or a performing Art class for ART 125.

Frequently Asked

Are students required to meet with an advisor each semester to register?

- Yes - Prior to their first semester they meet with April Stevens.
- All subsequent semesters are optional unless they are not making progress with academics / attendance. It is recommended students check in each semester.

Prerequisite: eligibility for ENGL-101. - Must be completed prior to taking this course.

Offered:

Fall Term, All Years

Classes at LHS?

CCPS will cover the cost of tuition, materials, and fees for students in these courses.

Senior Year coursework

- ENGL 101 – College Writing
- MATH 113 – Finite Mathematics

CCC offers a discount to students in this courses.

11th or 12th grade coursework

- THTR 101 – Theatre Appreciation

Why CCC @ LHS?

Great Opportunity for students

- Try a College class at your school
- Teachers know you
- Earn high school and college credit
- Will follow the CCPS calendar
- Builds confidence
- Stay Local - Don’t have to drive to Westminster
- Helps your College transition
- Challenge yourself

How does it work at Carroll?

- Students may take any class they are eligible for
- Whatever fits their schedule
- Online options available

Scheduling

- CCPS
  - 26 / 27 School year
  - August - HAC
- CCC
  - Summer / Fall
    - 4/14 & 4/21
  - Winter / Spring
    - 11/11 & 11/18

EXAMPLE

What does it look like?

- Student completing Homeland Security and Emergency Preparedness – Criminal Justice / Law Enforcement program at Carroll County Career & Tech Center.
- Currently unsure where they want to go to college.
- Plays a Fall sport & is active NAHS.
- Knew they wanted to take Intro Criminal Justice System in the Spring.

How does it look?

Fall Semester	Spring Semester	
CCCTC	Hon English 12	
	AP Spanish Lang	
	CRIM 101 (online)	
Math 113 @ LHS	Hon Paint	Personal Fit

100% Tuition and fee discount

3 Credits - $546
25% discount - $409.50

EXAMPLE

What does it look like?

- Planning to attend college out of state.
- Student participating in Spring Internship.
- Plays Fall and Spring sports.
- During the fall they decided they wanted to take Intro Business in the Spring at Carroll Community College.

How does it look?

Begins on Tuesday, April 14th 7:00 am

Registration for New Students

Summer / Fall 2026

Begins on Tuesday, April 21st 8:30 am

Frequently Asked

Will CCPS cover the cost of retaking a dual enrollment course?

- No. CCPS will not pay when a student takes the same course a second time, either after earning a W or to improve a grade.

What is the difference between dropping and withdrawing?

- Dropping from a course allows for a full refund.
- After the drop deadline has passed, a withdrawal counts as an attempt and will appear as a “W” on the transcript, and there is no refund of tuition/fees.

Frequently Asked

When is the deadline to register for Dual Enrollment Classes?

- No deadline. Registration opens on April 14 / April 21 and continues until the class is full and or the class begins.

How do I know what semester to register?

- Many students plan ahead and find it easier to drop a CCC course prior to the start of the semester.
- Example – Student wants to take English 101 (at LHS) one semester and Philosophy 105 during the other semester. Sign up for both and then work with the school counselor to determine where it best fits into the LHS schedule.

Thank you!
