DEPARTMENT

NURTURING EACH CHILD FOR MAXIMUM SUCCESS

March 2026

Hempstead Family, Spring is finally here & with it, hopefully some warmer weather. As we begin to defrost from the winter chill, we are proud to share some of the great things our Food Service Department has been doing.

Our ABGS students might look pretty cool showing off their food choices but are they as cool as the ABGS Cooks?

Cheeseburger Nachos!

The High School combined two favorites; Cheeseburgers & Nachos, which was a big hit with our High School scholars.

Lunches on the Go!

The staff at Rhodes ensures that they send a healthy lunch whenever our scholars are going on class trips.

A special breakfast at McNeil

The staff at McNeil prepared a special breakfast for the Humanities Department's two-day conference.

Delicious choices at Paterson

The staff at Paterson does an awesome job at ensuring that our daily alternate choices look & taste delicious!

Mac & Cheese, Everybody Freeze!!

Obama

Our elementary scholars at Obama & Jackson can't get enough of our homemade Mac & Cheese

Jackson

A Taste of Italy!

Our Spaghetti & Meatsauce w/ Garlic Bread is another favorite amongst our scholars

Behind the Scenes @ the High School

A sneak peek into how our High School staff prepares the Parfaits & Salads with love & joy for our scholars at the High School.

Our High School students know that the end of the week isn't just Pizza Friday, but it also means they will be treated to our Famous Healthy Cole Slaw!

We're not just Food Service

ABGS' Cook, Ms. Williams, doesn't only serve our scholars Breakfast & Lunch; She also runs the popular afterschool program, T&C Creations at the Middle School & the Annex. She always makes sure our scholars are getting the most out of their day!
