Dress up like your future self!	*Last day for students to return their **signed** Student Led Conference slip and portfolio to receive a certificate and a slushie coupon! Be a LEW-PORT LEADER - Wear Green and White!

Mark your calendars-IEC Leadership Day is JUNE 10th

Pizza Party with Shadow

Student Cafeteria Leaders recieved a pizza party with Shadow and Officer Stafford for their good behavior in the cafeteria. We are proud of our students.

Snow Shoeing in PE

4th and 5th grade Physical Education classes made the most of the winter conditions with some snow shoeing lessons on the cross country course. Students and staff enjoyed walking and running the trails for some outdoor exercise with friends in their snowshoes. A big thank you to the Lew-Port Alumni Association for awarding a mini-grant to make this unique experience possible!

Perfect Attendance Pride for December

3rd Grade

4th Grade

5th Grade

We are so proud to celebrate over 225 students who achieved perfect attendance for the month of December! These students were recognized with a certificate and entered into a fun lottery to win a poster as a small token of our appreciation. Showing up every day matters. When students are in school, they are building knowledge, strengthening skills, and setting themselves up for success and that is the greatest reward of all. Congratulations to our December perfect attendance students, and thank you for your commitment and responsibility. Keep up the great work!

3rd Grade Beginners Concert

A big shout-out to all our 3rd grade classes for their wonderful beginners concert performance. Their winter-themed songs were perfectly fitting for the snowy weather we've been experiencing in our area and brought lots of smiles to everyone in attendance.

Great job to Mrs. Zachary for preparing our students. We are so proud of you!

Thank you for WATCHING
