TROJAN PRESCHOOL 2026-2027 INFORMATION

School Readiness-Trojan Preschool is a program of Barnesville Public Schools and Community Education for children ages 3-5. The goal of our program is to provide high quality preschool experience for all children. We provide developmentally appropriate learning opportunities through play and teacher guidance to support social/emotional, physical, creative, and academic growth needed to start kindergarten. We can't do this without the support of a child's first teacher - their parent. For this reason we maintain open communication.

TROJAN PRESCHOOL STAFF

Todd Henrickson - Elementary Principal

Aaron Schindler - Community Education Coordinator

Laura Lempe - Early Childhood Coordinator, Preschool Teacher, Early Childhood Screening | Cassandra Blomberg - Preschool Aide

Breanna Chuinard - Preschool Teacher | Stacey Rotz - Preschool Aide

Kari Wilson - Elementary Secretary

TROJAN PRESCHOOL PROGRAM

In both Junior and Senior preschool classes we follow the **Early Childhood Indicators of Progress: Minnesota's Early Learning Guidelines**. The early childhood years are an important time of rapid growth and learning. Children's brains are developing more quickly at this time than at any other. They are exploring what they can do with their bodies and creating relationships with loved ones. They are investigating how the world works and their place in the world. Because of this complex and rapid development in young children, a shared set of expectations of what children can know and do is necessary to build successful early childhood programs and supports. In Minnesota, this set of shared expectations is called the Early Childhood Indicators of Progress: Minnesota's Early Learning Standards (ECIPs). The ECIPs, which are aligned with the K-12 Academic Standards, ensure equitable access to a robust education across programs for all children.

PROGRAM OBJECTIVES

1. Assist children in learning to live comfortably in a social environment.
2. Provide opportunities for the children to interact.
3. Enhance a child's self-esteem, self-awareness, and self-confidence by offering many opportunities for a child to succeed, express ideas, and understand his/her emotions and to attain skills to control them.
4. Provide opportunities for math, science, literacy and social science.
5. Increase attention span and follow simple directions.
6. Foster creativity and self-expression through art, music, and dramatic play.
7. Develop small motor skills by using scissors, glue, clay, blocks, puzzles, beads, pegs, etc.
8. Develop large motor skills through group games and outdoor activities.
9. Stimulate and encourage curiosity and provide opportunities for problem solving.
10. Encourage children to take care of their own needs with support from adults.

Our program is designed to maximize individual development and promote developmentally appropriate practices. The activities focus on the *process* of learning. Therefore, **the emphasis is on the experiences the children have rather than the results of those experiences**. Each child has his or her own set of possibilities and we help those possibilities unfold. Days are filled with planned and spontaneous moments of learning. There is time allowed for active outdoor play, imaginative games, independent discoveries, and group activities.

REGISTRATION INFORMATION

Registration will take place starting at 6pm on April 15th online. Class sizes are limited.

Current Trojan Preschool families will have the opportunity to register early on April 14th.

After applications have been received and processed a confirmation email will be sent with class information before June 1st.

Online registration begins at 6pm on April 15th.

Registration Link: Will be posted on the Barnesville Public Schools Website and on Facebook. You may also go to RevTrak. Click the *Families* tab on the Barnesville Public Schools Website.

Online Registration Process

1. Choose Early Childhood Family Education, 26-27 Trojan Preschool
2. Complete an online registration form for each child.
3. \$40 non-refundable registration fee is due at the time of registration.
4. A free/reduced fee application form is attached - please complete and return to the elementary office or scan and email to llempe@barnesville.k2.mn.us. We will work with you to ensure your child attends no matter your financial situation.

**If you cannot register online please contact Kari Wilson at 218-354-2300 or Laura Lempe at llempe@barnesville.k12.mn.us to request a paper registration form. Paper forms will be accepted beginning April 16th.*

We will try our best to get everyone placed in their first class choice. However, **we cannot guarantee your child will be in the first class choice.**

2026-2027 PRESCHOOL CLASS INFORMATION

JUNIOR PRESCHOOL (JP) CLASS OPTION

This is the first step in our preschool program. The children in this classroom learn through large and small group activities and experiences. They begin to work on early writing and scissors skills as well as number, letter, color and shape recognition. It is our goal for the children to have many real world learning opportunities through building, pretend play, art, science, and math. We believe it's important that children of this age have time to create, explore, and pretend every single day.

REQUIREMENTS:

- Must be 3 years old by September 1st, 2026
- Attend kindergarten September 2028
- Current residents of Barnesville Public School District #146
- Toilet trained by the first day of class
- Complete Early Childhood Screening (see Early Childhood Screening information on the next page)

Reduced and free preschool based on income
Please complete and return included form to the Elementary School Office

SENIOR PRESCHOOL (SP) INFORMATION

Our senior preschool program guides children in learning all of the kindergarten readiness skills they need. There are planned large group activities and games as well as scheduled small group learning with the teacher. They have opportunities to work on writing skills at the art center, social skills at the pretend play center and have many hands-on experiences in the math and science centers. We believe that through play children are able to discover, pretend, test, classify, organize, and interact with others. The preschool children are encouraged to problem solve with their friends and to become independent in daily routines.
