

Cypress Bay High School
18600 Vista Park Blvd.
Weston, FL 33332

Dear Students and Parents,

Please be advised that student service hours for grades 9–11 will no longer be accepted after May 20th. This deadline allows us to enter and process all submissions on time, ensuring that District deadlines are met.

All required hours must be completed and submitted by this date. Hours will be accepted again starting September 1, 2026. Start of the new school year.

Please note that, as of this year, we will only accept service hours completed in 2024-25 or later. We urge all students to get their summer hours approved before committing them to a location. We encourage students to use www.handsonsouthflorida.org or <https://www.volunteerflorida.org/>

These two sites have a list of already approved locations for our CBHS students to complete their hours. Please plan accordingly to ensure all service requirements are fulfilled.

If you have any questions, don't hesitate to get in touch with the school office.

Sincerely,

Volunteer Coordinators

Marjorie Guevara
