

What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Jointly Developed

This agreement was jointly developed by stakeholders and is reviewed/revised annually based on feedback from all stakeholders.

Opportunities to Volunteer We welcome and encourage parental engagement. School volunteers are required to have a background check and complete volunteer training. When the county gives us guidance, there are several ways for parents to give of their time and talents. Opportunities such as chaperoning field trips, classroom celebrations, reading to students, and proctoring for tests are just a few.

Activities to build Parent Partnership
