Athletics & Facilities Scheduling

SBLSD Stadium-Turf Field Expectations

Thank you for renting Sumner-Bonney Lake School District turf fields or stadiums. We welcome community use of our facilities for youth athletics. It is the responsibility of the rental group to ensure all persons in attendance comply with district rules during your use of the facility. When using our facilities, please remember the following rules included in your rental agreement:

● Motor vehicles must be parked in designated parking spots only. At no time are vehicles allowed to park in striped emergency vehicle zones or areas marked as no-parking.

● Bikes, skateboards, or other types of vehicles are not allowed inside the fencing around the track/field area.

● Only authorized personnel are allowed in the press box. No children are permitted in the press box.

● Only authorized personnel and uniformed athletes are allowed on the field before the game, at halftime, or after the game. Spectators must remain behind the track fence or in the Home Grandstand. Spectators are not allowed in the Visiting Grandstands unless prior arrangements have been made in writing.

● **No metal cleats**. Molded cleats or athletic shoes only.

● All children must be supervised by an adult at all times.

● No pets inside the stadiums/fenced areas. Service animals assisting a person with a disability are permitted in the stadium (but not on the turf or track). The animal must be free of disease and parasites, remain harnessed, leashed, or tethered, and be under the handler's control. The service animal must also be licensed and immunized according to local and state requirements. (See SBLSD Board Policy 2030 for more information.)

● **No pop-up tents, chairs, or heaters on the turf or track**. Pop-up tents may be placed outside the track fence and must be secured with sandbags.

● After the event, all garbage must be collected and deposited in a trash can or recycle bin.

● No alcohol, marijuana, or drug use. No smoking, vaping, or tobacco products anywhere on site, including restrooms and parking lots.

● No food, seeds, or gum allowed on the track or turf. Only water is allowed on the turf and track
(No sports drinks/Gatorade, juice, coffee, etc. — no exceptions.)

● No weapons or fireworks allowed on school district property.

● Any facility keys checked out must be returned to the event manager prior to the start of your event. Keys may only be requested or reissued by the District Athletic Director.

● Food trucks/trailers may be allowed on a case-by-case basis, but the request must be made during the initial inquiry regarding facility availability, including the number and type of food trucks/trailers. An additional Event Manager will likely be required and charged to the facility user. Approval must be granted and arrangements finalized **prior** to the day of the event. *No other outside food sales allowed.*

● Portable toilets are provided at each location. If a group wants access to other restroom facilities, a full-time Event Manager must be paid for.

In addition, all athletes, coaches, parents, personnel, and fans are expected to reflect a positive image by adhering to high standards of sportsmanship and conduct, displaying modesty in victory and graciousness in defeat, and refraining from negative comments toward officials or opposing teams.

It is the responsibility of the renting group to ensure these expectations are followed. Event Managers will assist on game day, but the group representative is primarily responsible for ensuring all guidelines are upheld. Failure to comply with the rules above may result in loss of scheduling priority or placement on the “do not rent” list.

Thank you for your assistance in maintaining Sumner-Bonney Lake School District facilities and for helping ensure all attendees have a positive experience.
