Dear Mr. Wenig,

This email is to provide fulfillment of the Public Records Request received in our office on March 23, 2006. Your request was for the following records:

All executed contracts, purchase agreements, and purchase orders with Professional Learning/Development services including any exhibits, addenda, or amendments that are in effect or have been in effect in the last 3 years.

I am pleased to inform you that I have reviewed your request and confirmed that all applicable records can be found on our website under the published contracts. This list has been updated with the most recent information and extends to cover the 3-year period requested. You may look through the list of contracts and determine which ones are most applicable to your information needs. While all of our contracts are available on the website, I believe the focus of your request would pertain mostly to the "Educational Service Agreements" section.

For your convenience, I am including both the link to the page for Contracts and for the more specific Educational Service Agreements.

Have a wonderful day!
