Amy Black welcomed everyone and reviewed the agenda and process for recommendation of materials and courses.		
Core Materials Request • ELD Adoption Recommendation ○ National Geographic Lift	15 min	Isabel Govea
Dr. Govea presented a new curriculum adoption for ELD 1-3 plus seminar. The adoption is needed because it has been 10 years old and the current curriculum is not engaging for students. Teachers piloted three different curriculum and were given release days to debrief and determine which curriculum will be best. The team is proposing National Geographic Lift. Feedback from teachers who piloted the program was shared with the CILT team as well. Questions - No questions Consensus to move forward to the board.		
Course Outline Approvals **New DE Courses** DE Introduction to Deaf Studies DE Intermediate Spanish **New CTE Courses** Tech Theater 3 - AnHS	45 min	Amber Kangal Ben Soper Mark Calvo
DE Deaf Studies - Students feel overwhelmed when they get to college so students have requested that we offer DE Deaf Studies at the sites. Amy provided the team an opportunity to review the slides and course outline. Questions - No questions.		

Consensus to move forward to the board.

DE Intermediate Spanish - Covers 10 high school credits and uses the same framework as Spanish 4 so it will be seamless. Allows students to have more access to the Seal of Biliteracy. Prepares them to have more access to AP, IB, and access to college credit and experience.
Question - What textbook is Sierra College using and are you allowed to use whatever you want?
Answer - Aventura but we can get approval from Sierra College to use something else (Senderos).
Questions: What is the pacing for DE Spanish 1 v DE Intermediate Spanish?
Answer: Students can take DE Spanish 1, then HS Spanish 2, HS Spanish 3, then DE Intermediate Spanish
Amy provided the team an opportunity to review the slides and course outline.
Consensus to move forward to the board.

Tech Theater 3 - Capstone course for the CTE Pathway. Learning Leadership, technical theater training through production experiences. Examples of unit study were provided. CTE Grant funds the course.
Amy provided the team an opportunity to review the slides and course outline.
Question - Will the class be co-sat?
Answer - No because we would want to go in depth with this course.
Consensus to move forward to the board.
