Board of Education Room

Minutes

Committee Members: M. Walker, S. Reddy, B. Bass (ex-officio), A. Klaich, K. Slentz
The committee convened the meeting at 2:45 p.m.

1. Framing the work Committee

- a. Review and approval of agenda

2. Discussion Items Committee

- a. NYSPHSAA and Section 1 update – Schools without Borders

K. Slentz updated the committee on the status of the Schools Without Borders initiative from the Lower Hudson Council of School Superintendents, and a similar initiative that the Section 1 Executive Committee is considering related to providing greater equity in competition amongst the section’s school districts. K. Slentz will update the committee after each respective organization’s March meetings.

- b. Spring sports teams and coaching vacancies

A. Klaich updated the committee on the status of anticipated spring season sports and coaching recommendations.

- *Flag football is in its second season, and we expect a high number of students participating.*
- *We anticipate a high number of students participating in boys' baseball, and may have enough for a varsity, junior varsity, and modified team.*
- *We anticipate a high number of students participating in track, and this may require a third coach to ensure safety and student-athlete development.*
- *We currently have a vacancy in the modified softball coaching position. Track numbers may require a third coach.*

A. Klaich updated the committee on the recruitment processes used for our coaching staff.

Administration is not recommending any new sports for the 2026-27 school year.

- c. Athletics facilities proposed project and funding update

K. Slentz discussed the ongoing work in designing a capital project for upgrading the Springhurst athletic facilities. The proposal would likely include

lights on the turf field with additional alternates, including bathrooms, a concession stand, scoreboards, storage, potable water access, and a coaching/announcement area (“press box”). The committee will establish a district advisory committee that will comprise board members, faculty, staff, administrators, and community members to help guide the work on the development of the project.

3. **Other** Committee
 - a. Finalize the structure and function [document](#)
No action taken.

4. **Next meeting date** Committee
