

HI, MY NAME IS
STACIE DONOVAN-KOFFORD

ABOUT ME

I'm proud to have four wonderful adult children and five amazing grandchildren who bring so much joy to my life. Family means everything to me, and I truly enjoy spending time with them as well as with my friends whenever I can. I've been part of the district for 23 years, with over 20 of those years spent working in the technology department. During that time, I've enjoyed helping support our staff and students and being part of a team that keeps things running smoothly.

I have a doodle who is my constant companion and brings so much joy to my life. She has the sweetest personality and is such a cute dog. Whether we're just relaxing at home or spending time together during the day, she's always by my side. She truly feels like part of the family and never fails to make me smile.

FUN FACT

In my free time, I enjoy a variety of hobbies that help me relax and be creative. I'm a big fan of Formula One racing and love following the excitement of the season. I'm also a dedicated fan of the Kansas City Chiefs and enjoy cheering them on during football season. I also love being creative and crafting. One of my favorite things to make is scrapbook and journal books, where I can design fun pages and preserve special memories. Crafting is a wonderful way for me to relax and create something meaningful that I can share with others.
