Toilet Training Requirement for Preschool

For our program:

- Children must wear underwear.
- Pull-ups or diapers are not permitted.
- A child who has daily toileting accidents is not considered toilet trained.

Why is toilet training required?

- Independent toileting supports children's confidence, dignity, and readiness for a group learning environment.
- Our classrooms are not equipped for diapering or pull-up changes and must follow strict health and safety regulations.
- When a staff member is occupied with changing soiled clothing, it reduces supervision and learning time for all children.

What does "toilet trained" mean? A toilet-trained child is able to:

- Communicate the need to use the restroom before needing to go
- Pause activities and go to the bathroom when needed
- Pull clothing down and back up independently
- Wipe after using the toilet (minimal assistance may be provided for 3-year-olds)
- Get on and off the toilet independently
- Wash and dry hands
- Wait briefly if the bathroom is occupied or if the class is away from the room

Teachers will regularly prompt children to use the restroom and provide appropriate support, but children are expected to complete toileting tasks with independence.

Accidents

We understand that even fully toilet-trained children may have occasional accidents, especially in a new environment. Accidents are considered infrequent and unusual events. In these situations:

- Teachers will assist children with changing clothes while encouraging independence
- Parents will be notified the same day

Please dress your child in clothing they can manage independently and send a complete, seasonally appropriate change of clothes to be kept at school and returned at the end of the year.

Adjustment period

We recognize that children reach this milestone at different times. Families will be allowed up to four (4) weeks from the first day of school for their child to demonstrate consistent toileting independence.

A child will not be considered toilet trained for our preschool program if frequent toileting accidents continue beyond the four-week adjustment period.

By signing, you understand that if your child is not potty trained, they will not be accepted in programming and/or may not be able to continue programming until they have learned this skill.

Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations. Parents or guardians are not required to answer the federal questions (**in bold**) for their children. If you choose not to answer the federal questions (**in bold**), federal law requires schools to choose for you. This is a last resort—we prefer if parents or guardians complete the form. State questions are labeled as “Optional” and schools will not fill in this information for you.

This information helps improve teaching and learning for everyone and helps us accurately identify and advocate for students currently underserved. Recommended but not required for school

Influenza (flu), COVID-19, Human Papillomavirus (HPV), Meningococcal B (MenB) and other vaccines are recommended for children to ensure they are fully protected. Talk to your health care provider about when your child should receive these immunizations. For more information visit [CDC: Vaccine Schedules For You and Your Family \(www.cdc.gov/vaccines/imz-schedules/index.html\)](https://www.cdc.gov/vaccines/imz-schedules/index.html).

Tips for parents and guardians

- Make sure your child has received all of the required immunizations before their first day of school or submit an exemption.
- Submit a copy of your child's immunization record to their school. You can get a copy of their record from the clinic or find their record on [Find My Immunization Record \(www.health.state.mn.us/people/immunize/miic/records.html\)](https://www.health.state.mn.us/people/immunize/miic/records.html).
- Please complete the reverse side if your child requires an exemption for medical reasons or if you are opting for a non-medical exemption due to personal beliefs.

Instructions for documenting medical or non-medical exemptions and history of chickenpox (varicella)

Follow steps 1 and 2 below to document a medical exemption, non-medical exemption, or history of chickenpox.

1. Place an X in the box to indicate a medical or non-medical exemption. If you are exempting your child from more than one vaccine, mark each vaccine you are exempting them from with an X.
2. Obtain signatures for exemptions or history of chickenpox disease.

Required Immunizations	Medical	Non-Medical
Hepatitis B (Hep B)		
Polio (IPV)		
Measles, mumps, rubella (MMR)		
Varicella (Chickenpox)		
Diphtheria, tetanus, and pertussis (DTaP)		
Tetanus, diphtheria, and pertussis (Tdap)		
Meningococcal ACWY (MenACWY)		

Medical exemption: A health care provider must review and sign a medical exemption. A health care provider includes a licensed physician, nurse practitioner, or physician assistant.

By my signature below, I confirm that this child should not receive the vaccines marked with an X in the table for medical reasons (contraindications) or because there is laboratory confirmation that they are already immune.

- Grades K–5 students who live 1 mile or more from school
- Grades 6–12 students who live 1.5 miles or more from school

The walking distance is defined as the shortest distance from the child's residence by public walkway, street or highway to the assigned entrance of the school the student attends as measured by the district's computerized GIS map.

Once enrolled, transportation will automatically be setup for students who qualify. Busing information can be viewed in your ParentVue Account under the Student Information section.

MyStop App: District 191 Transportation uses a service called MyStop, a system that uses GPS to track all Burnsville-Eagan-Savage School District 191 buses and shares that information through a website.

The service provides parents and students with a better idea of where a bus is along its route and about what time it will arrive at their stop. Parents and students can log in to the website by downloading the MyStop app (android or iOS) to a smartphone or tablet. They can view a map of their specific bus route, an approximate location of the bus, and an estimated arrival time at their bus stop. <https://www.isd191.org/discover/departments/transportation/mystop>

Statewide Open Enrollment Form: Used to request enrollment into a District ONE91 school when living outside of District ONE91's attendance boundary area. Paper forms are available at the Enrollment Center or on the Enrollment webpage at: www.isd191.org/enroll

Variance Request Form: Used to request enrollment into a District ONE91 school other than the school serving your residential area. Paper forms are available at the Enrollment Center or on the Enrollment Center webpage at: www.isd191.org/enroll

Guardianship/Foster Documents: To ensure the safety and security of our students these documents are required when the enrolling parent/guardian is not the birth parent. Please provide the Enrollment Center with supporting documentation stating you are the legal custodial guardian for the student you are registering along with a photo ID.

Custody or Parenting Plan: If there is a current custody or parenting plan in place for the student you are registering, please provide a copy to the Enrollment Center. This helps to ensure the safety and security of our students in the school they will be attending.

ParentVue: All parents in ONE91 will have access to create a ParentVue account in which they will be able to view their student's information online or on the mobile app. A valid email address must be on file in order for your account to be activated. If you do not receive your activation code once your student is enrolled, you may email the ParentVue team and they will be happy to assist you. parentvue@isd191.org

Parent Square: District 191 uses ParentSquare for school communication, primarily with email, text and app notifications. ParentSquare automatically generates an account for each parent, using their preferred email address and phone number. We encourage parents to access their accounts so they can download the mobile app and update their preferences on when and how they are notified. Parents are not required to download the app to view messages from the school district. However, **downloading the app makes it easier to receive and respond to messages.**

Here's what you can do with ParentSquare:

- Receive messages from the school via email, text or app notification
- Choose to receive information as it comes or all at once at 6pm daily
- Communicate in your preferred language
- Comment on school postings to engage in your school community
- Direct message teachers, staff and other parents
- Participate in group messages
- Sign up for parent-teacher conferences with smart online technology
- Send signed forms & permission slips, receive report cards, sign up to volunteer and more all from your phone or web portal

Meal Accounts and Payments: When a student registers in District 191, the Food and Nutrition Services department creates a meal account for the student with a unique personal identification number (PIN). The student enters this PIN into a keypad at the cashier station in the cafeteria to pay for meals and a la carte foods and beverages. Students keep the same PIN from year to year while enrolled in the district. Your child's school will inform them of their PIN number. Student PIN numbers can also be found in your ParentVue account under Other Information

Pay Online: Depositing money into accounts is best accomplished online. It takes between 24 and 72 hours to get funds into the student account at the school. There is no fee to parents/guardians for using the online payment system.

<https://www.isd191.org/discover/departments/food-nutrition-services/payments>

Pay by Check: Checks may also be sent to school with your student and placed in the check deposit box or given to the Food Service Manager. Checks should be made out to ISD 191 Food Service. Please write the name of the student and their PIN on the memo line of your check. Cash may also be sent with your student; however, we discourage this practice.

Medication Authorization:

All medications require:

- A physician's authorization.
- Written permission from parent/guardian.
- Come in the original prescription bottle or over the counter packaging.
