SHARE YOUR FEEDBACK, STRENGTHEN OUR COMMUNITY!

At Owatonna Adult Education and Owatonna Community Education, we are committed to providing programs that support lifelong learning, workforce development, and community connection. As our community continues to grow and change, we aim to ensure our offerings remain relevant, accessible, and impactful.

To do that, we need your input! We are seeking feedback from community members, employers, and partners to better understand what's working well and where we can improve. Your insights help guide our programs and ensure we are meeting the real needs of those we serve.

We invite you to share your thoughts, ideas, and experiences. Together, we can continue building strong programs that benefit individuals, businesses, and the Owatonna community as a whole. Share your thoughts by emailing communityed@isd761.org!
