Valentine's Day Celebration

As we celebrate Valentine's Week, we'd like to remind families that bringing edible treats to share at school is not permitted, in alignment with our school policy.

Many students have allergies, food sensitivities, or other dietary needs. This helps us ensure a safe and inclusive environment for everyone.

If your child would like to include something extra with their Valentine, non-food items such as pencils, stickers, or other small trinkets are a wonderful alternative.

Thank you for your understanding and for helping us make Valentine's celebrations fun, safe, and inclusive for all students
