

A decorative border surrounds the central text, featuring various school supplies. At the top, there are several sets of colored pencils in different colors (red, orange, yellow, green, blue, purple) and two green paper airplanes. On the left side, a cartoon boy in a yellow shirt is peeking out. On the right side, a cartoon girl in an orange shirt is peeking out. At the bottom, there are more school supplies including a green backpack, a purple backpack, a globe, a stack of books, a blue ruler, a paintbrush, a pencil sharpener, and a set of colored pencils. In the bottom left corner, there is a chalkboard with the equation $5 + 4 = 9$ and the numbers 1 through 9 below it.
