

Hello! I'm Erica Clerk

ABOUT ME

Hi, I'm Erica Clerk. I am an infant teacher who is deeply passionate about creating a nurturing and stimulating environment for young children to learn and grow. I believe in guiding children's desire to learn and creating a safe space for exploration. My focus is on fostering academic, social, and emotional growth in children through a child-centered approach.

Outside of my professional life, I love spending time with my family and friends. They are my support system and bring immense joy to my life. I have a daughter that I absolutely adore. Love being a mom. Also have a fur baby and she brings lots of happiness to my home. I also have a great love for plants and enjoy caring for them. It's a soothing and rewarding hobby that brings a bit of nature into my daily routine. Also on a health journey and enjoy going to the gym. I would love to continue traveling. Europe was an experience of a lifetime.

Overall, I strive to balance my professional dedication to early childhood education with my personal passions, creating a fulfilling and meaningful life.
