

EMPLOYMENT OPPORTUNITY DIGITAL MEDIA TEACHER

St. Anne-Pacelli is currently seeking a part-time Digital Media Teacher. Located in Columbus, Georgia, St. Anne-Pacelli is a college preparatory age 1 through 12th grade school dedicated to giving children opportunities to learn in a safe, supportive environment where they can develop relationships with others and with God.

The ideal candidate holds a bachelor's degree with experience in communications, media, or digital arts and technology, and has a passion for working with middle and high school students. A teaching certificate is preferred.

POSITION SUMMARY

The Digital Media Teacher works to provide leadership and be a resource for the implementation of the school's media classes in a manner that supports the mission, goals and objectives of the school. This position, through the classes, also creates content for areas of the school's communications department. The teacher must possess excellent communication and organizational skills working with students, faculty, staff and the broader community. Previous experience/knowledge of live streaming preferred.

- Develops a curriculum to include print and digital media, broadcasting and podcasting.
- This is a part-time position.

ESSENTIAL FUNCTIONS

TV PRODUCTION TEACHER: Print, Broadcast and Digital Media

This course offers students the opportunity to be critical viewers, consumers and producers of media. Students enrolled in this course will apply and use their journalistic skills for a variety of purposes, such as newswriting, reporting, broadcasting, producing, videography/photography, podcasting, layout and design, social media and editing.

- Plan and implement teaching and learning in all areas of journalism mentioned above.
- Design content for journalism course.
- Research, develop and implement school's broadcasting program.
- Select and provide access to a wide variety of materials which meet the needs of various learning situations.

FILM AND GRAPHICS TEACHER

This course offers students the opportunity to explore arts elements, principles of design and arts benchmarks through a variety of traditional and digital media. The areas of digital photography, digital art and video production will be explored.

- Create and edit video reels for use by the communications department.
- Train students to provide photographs, videos and streaming to the communications department for use in promotion of Pacelli.
- Create student Podcast project

MINIMUM QUALIFICATIONS

- Bachelor's degree in media or mass communications.
- Excellent communications skills, including writing, proofreading, editing and speaking.
- Ability to manage multiple projects and work assignments.
- Ability to manage a classroom and work with middle and high school students.
- Excellent interpersonal skills both in person and by phone, with high professionalism.
- Video production, photography and graphic design experience preferred.

To apply, please email a letter of interest and resume to Carolyn Brewster, High School Principal, cbrewster@sasphs.net.
