2026-2027

SCHOOL YEAR REGISTRATION NOW OPEN

We had an AMAZING Summer and we are so happy to have you return for the 2026-2027 School Year. To register for the new school year please follow the below steps. Please see Maurice with any questions or for the 2026-2027 ECS Family Handbook.

Please review the 2026-2027 ECS Family Handbook before completing the registration process. There is important information about rates and program procedures.

1. Login to your my.CherryCreek parent portal account and go to SchoolCare Works to review and update all information in the SchoolCare Works Personal tab. Once you have completed each field, follow the ECS Online Instructions to finish registration.

2. There is an annual \$35.00 registration fee per child.

3. When you complete the enrollment, you must wait until we approve these enrollments before you see your calendar to pick the days you want to attend. Please have this completed by August 7th in order to access the calendar from the first day of school and on.

4. You will need to be registered no later than 12pm (noon) the day before care. We need to be very strict about this deadline, and cannot always take drop-ins and late registrations due to staffing.

5. If you receive Free & Reduced lunch, please email us a copy of your current approval letter for a 25% discount on regular tuition rates... more info about this discount on page 9 of the 2026-2027 ECS Family Handbook.
