March 27, 2026

Dear Lawrenceville School Community,

As the search for the next Head of School at Lawrenceville begins, the Search Committee is eager to hear from members of our community – faculty, staff, students, parents, alumni, and trustees. We understand the vital importance of having the right person lead Lawrenceville and are committed to a thoughtful and transparent process. We welcome hearing your input through any of the following:

- The Spencer Stuart team will visit Lawrenceville on April 8 and 9. They will meet with a cross section of faculty, staff, and students, and experience our community.
- In addition to the visit, our search partners have set up an anonymous online survey for all Lawrenceville community members. We invite everyone to participate in the Lawrenceville Head of School Community Feedback Survey. We encourage you to complete the survey, which should take no more than 10-15 minutes, before the **closing date of Monday, April 13, at 5:00 p.m. ET**. All responses are confidential and go directly to the Spencer Stuart team.
- Finally, we encourage you to reach out to the Search Committee and the Spencer Stuart team at LawrencevilleHOS@spencerstuart.com with any additional comments, questions, or candidate nominations at any time throughout the search.

Your participation in this search is incredibly valuable, and your input will directly inform the Opportunity Statement, how we assess potential candidates, and ultimately facilitate a successful transition for the next Head of School.

As a reminder, an archive of our communications regarding the search process is available at www.lawrenceville.org/headofschoolsearch. Thank you for your engagement, input, and ongoing support.

Sincerely,

Benjamin Griswold ’99 P’28 ’30 and Alexandra Buckley Voris ’96
Head of School Search Committee Co-Chairs
