

Twin Hills Apple Blossom Educational Foundation Meeting Minutes

March 26, 2026

Meeting called to order by Amy Ryan 4:05 pm

In Attendance: Michelle Ritchardson, Sarah Erickson, Amy Ryan, Kelsey Correia, Tesse Struve, Erin Elliott, Alexis (district facility designer), Dana Pederson
Via zoom- Shawna Whitestone

Previous meeting minutes approved by: full board approval

Superintendent Report: Discussion of what's to come with facilities- future opportunities for our campuses. Measure A in June 2026 election for in-district voting. Bond is up to \$14 million (money ready for fall 2026). Even parents out of district can help share about measure A so people within district to vote. Schools are only given money for maintenance but not for updating facilities, so this is really important to get funding for. Design committee is being organized- starting on April 1.
–Alexis: Prop 2 grant (passed in fall of 2024 but funds will be seen 2027/2028)– Master plan for facilities was created in the fall- certain funds within the state will become available (4 million) and district will have to match it. School board will make the final decision. From an architect standpoint- they are looking at roofs, structions, etc. but really want to hear from parents and teachers to know what is most important for each school.

Principal's Report Twin Hills: last 50 minutes of school! Winter sports finished in February. Drama show went great, and 2 TH teachers have a theater degree, and are doing their own spring drama performances- Shrek! Basketball, flag football, and boys volleyball starting this spring. DC trip went great! 5 days of activities! Rotary with Japanese relationships started- 3 students came and had a really fun time meeting with students. (We will have 3 that go to Japan next year). School olympics signs go up Monday morning. Its a big deal for the school and the kids get very excited! Sneak peek 5th graders coming April 7 and open house April 9th. Installing a "Peace Poll" and mural with ribbon cutting ceremony at the end of May- funded by Rotary.
Band parade practices starting before school.

Principal's Report Apple Blossom: Bohemian honor for AB, and Ms. Behler received the rotary teacher of the year! Lot's of excitement around school. Lot's of tours and 30 TKers signed up, 5 new Kindergartenders. A lot more in the process of being approved, but waiting on inner-district paperwork. 5th graders are very excited for going to TH. Special assemblies are in motion and hopefully can happen before the end of the school year. Field day plans are in the works, will be June 2.

Treasurer Report: Account sitting at 55, 545.22, with a few teacher grants to be going out soon. We are down a little bit in comparison to last year, but thats probably because we are handling the teacher grants differently and are distributing funds throughout the year.

Foundation Introduction: Spring event updates: still looking for sponsorships, coming in under 6k, hook & ladder will give us 20% back, and so will Mombo's pizza.

Calendar of Events: Spring Event May 16, 2026.

AOB: April 8 Mombo's dine and donate, Cal Skate April 24.
School Bus Driver Appreciation Day - Malory April 26th.
Teacher Appreciation week May 4-8.
2026-2027 board member positions opening up. Looking for parents to join!
Bookkeeping updates for next year

Next THABEF scheduled for: 4/16 Twin Hills 4pm
