**YUBA COUNTY SELPA
25/26 ESTIMATED EXCESS COST CALCULATION**

**Excess Cost Calculation:
3/2/2026**

The formula attempts to separate costs in a logical way to isolate costs per setting.
The Excess Cost is divided by the projected pupil count for October 2025
The Excess Cost is then calculated for each entity based on the pupils served
No revenue offset due to full funding allocation back to LEAs (only direct credit of property tax and LCFF transfer)

The 2025-26 First Principal Apportionment (P-1) was certified and posted online by the California Department of Education (CDE), pursuant to California Education Code Section (EC §) 41332 in the amount of \$55,777,978,651. This apportionment includes funding for 2025-26, updated funding for the 2024-25 Annual Apportionment, the 2023-24 Second Annual Recertification, and adjustments to other prior-year apportionments, as necessary. For special education funding, each local educational agency (LEA), for the purposes of special education (including LEA charters that were previously reported under the Special Education Local Plan Area [SELPA] Administrative Unit and/or an authorizing LEA), will have multiple available reports.

The supporting documents and links to funding exhibits are available on the CDE website at: [AB 602 Special Education Funding Details](#).

The Web Exhibits are at: [Principal Apportionment Web Exhibits](#).

Select: 2025-26 First Principal Apportionment (P-1) Special Education Exhibits

Select Period: 2025-26 P-1

Select Entity: SELPA Admin Unit

Select Program:

- **Out-of-Home Care Funding**—This report shows the Out-of-Home Care (OHC) funding allocated to the SELPA, based on the various types of funding rates. Funding rates include those for foster youth, community care facilities, intermediate care facilities, short-term residential treatment programs, community treatment facilities, and skilled nursing facilities. If the SELPA is allocated a prorated share of excess funds, these will be shown in this report.
- **SELPA Base Grant Funding**—This report calculates the amount of SELPA Base Grant Funding generated by LEA Funded average daily attendance (ADA) towards the SELPA Base Grant Entitlement.

- **SELPA LEA AB602 ADA**—This report identifies the LEA ADA from the periods of the current year, prior year, and second prior year. Each LEA’s highest ADA is identified as Funded ADA, to be used for the calculation of Base Grant Funding.
- **SELPA Special Education Funding Exhibit**—This report is the complete SELPA AB 602 calculation exhibit, including the aggregate Base Grant Entitlement for the SELPA and all AB 602 add-on funding resources.
- **SELPA Special Education Local Revenue**—This report shows the special education property tax revenue allocated to the SELPA. If the SELPA is allocated excess educational revenue augmentation funds, these will be shown in this report.
- **SELPA TOTAL AB602 ADA**—This report is a single page with SELPA aggregated ADA totals for the current year, prior year, or second prior year. The Funded ADA line captures the highest of each LEA-Funded ADA, while the totals under each year represent the SELPA aggregate ADA, which is no longer used for calculations.

For multi-district SELPAs, select “All LEAs” to print/export all the SELPA LEA reports, or select and download each LEA separately.

The following is a description of the SELPA Special Education Funding Exhibit:

- **Section A: COLA**—The section contains the statutory cost-of-living adjustment (COLA) of 1.0230% used in subsequent calculations.
- **Section B: Base Grant Funding**—The section identifies the Total Base Grant Entitlement for the SELPA aggregated from each LEA member’s Base Grant Funding exhibit. The 2025-26 Base Rate is \$917.5279049244. A proration factor of 1.0 applies to the total SELPA Base Grant Entitlement.
- **Section C: General Funding**—Special education property taxes (line C-1) and applicable Excess Educational Revenue Augmentation Fund taxes (line C-2) are identified. These taxes are the first funding applied to the Total Adjusted Base Grant Entitlement (line B-3) and are deducted from the Total Adjusted Base Grant Entitlement to compute the Net Funding Entitlement (line C-4).
 - Note: To capture total SELPA funding, the SELPA will need to reflect the separate flow of property taxes on allocation documents, as property taxes flow outside of the principal apportionment process.
- **Section D: Program Specialists/Regionalized Services (PS/RS)**—The census data for PS/RS remains frozen at the 2019-20 SELPA ADA (line D-1) for all SELPAs. The statutory COLA rate of 1.023% was applied to the 2024-25 PS/RS rate (line D-2) to obtain the current PS/RS rate of \$20.4623121496 (line D-3). The current PS/RS rate is multiplied by the 2019-20 SELPA ADA to determine the necessary small SELPA (NSS) (line D-8) or PS/RS Apportionment (line D-12) allocations.
- **Section E: Low Incidence**—The California Longitudinal Pupil Achievement Data System Prior Year Fall 1 (2024-25) low incidence pupil count (line E-1) was used for the calculation and

represents a SELPA total aggregate pupil count. The 2025-26 rate (line E-2) was set at \$3,970.0444109024 per pupil. This calculation results in the total Low Incidence Apportionment (line E-3).

- **Section F: Out-of-Home Care**—The 2025-26 funding rates were increased by the 1.023% COLA and multiplied by the 2024-25 counts as actual 2025-26 pupil counts are not available yet. SELPAs can select the OHC Funding Exhibits from the Program menu under the P-1 Funding Exhibits. At P-1, actual prior-year Annual data and current-year funding rates were used to determine funding. The 2025-26 Budget Act appropriated \$157,594,000 for OHC. Funding amounts for OHC will be updated in February 2027 (with the 2025-26 Annual certification) after pupil data from the Department of Social Services and the Department of Developmental Services becomes available.
- **Section G: Extraordinary Cost Pool for Nonpublic, Nonsectarian Schools (NPS)/Licensed Children’s Institutions (LCI), and NSS Mental Health Services**—Funding for this program is calculated at the Annual certification. Annual is completed in February each year with the prior-year data. The Extraordinary Cost Pool (ECP) 2025-26 threshold amount is \$101,268.98.
- **Section H: Adjustment for NSS with Declining Enrollment**—No NSS qualify for this adjustment due to Education Code changes in 2020-21.
- **Section I: Apportionment Summary**—Summarizes the calculation components resulting in the Total Apportionment for the SELPA from state AB 602 funds.

The statewide average unit rates and COLA information are available on the [Funding Rates and Information](#) webpage.

- **Infant Program State Entitlement Funding (two years old and younger)**—The Infant Program provides funding for SELPAs that operate early education programs for individuals with exceptional needs who are younger than three years of age. The calculation of state aid (line A-10) is shown on the Infant Entitlement exhibit.
 - The 2025-26 Budget Act appropriates \$93,991,000 for the state Special Education Infant Program, which is sufficient to fully fund the program at P-1.
 - The statutory COLA rate of 1.023% was applied to the 2024-25 rates. The 2025-26 rates are as follows:

Program Description	2025-26 Statewide Rates
Special Day Class	\$78,725
Resource Specialist	\$83,003
Designated Instruction	\$77,751
Aide	\$31,968

AB 602 State Aid Adjustments and Prior-Year Recomputations

- **2024-25 Annual Certification**—The 2024-25 appropriation of \$4,764,207,000 provided for AB 602 was sufficient to fully fund the program at Annual. Funding for OHC program was updated with current-year data and the appropriation of \$162,053,000 provided was sufficient to fully fund the program at Annual. For 2024-25 ECP claims, the \$20,000,000 was insufficient to fully fund all claims; therefore, a 0.3514487572 proration factor was applied to the calculation, which is a 64.85% deficit. The NSS ECP Mental Health pool was fully funded at Annual.
- **2023-24 Annual R2 Certification**—The AB 602 appropriation was sufficient to fully fund the program at Annual R2. There were no changes to the 2023-24 OHC, ECP, or NSS ECP mental health at Annual R2.

State Mental Health Services Funding

Pursuant to EC § 56836.07(e), funding for mental health services is calculated and allocated at the LEA level and based on the ADA reported for each LEA for the 2025-26 P-1 Apportionment.

The 2025-26 Budget Act provides \$461,127,000 for mental health services. The P-1 calculation is based on the ADA reported for each LEA for the 2025-26 P-1 multiplied by per-ADA rates of \$84.7486208095 for all LEAs and \$0.6266963993 for the Los Angeles County Court SELPA. New charter schools are included using the current-year ADA.

Early Intervention Preschool Grant

The 2024-25 Budget Act appropriates \$260,000,000 for the Early Intervention Preschool Grant. The per-pupil amount is calculated by dividing the amount appropriated in the annual Budget Act by the statewide total numbers of pupils in grade 1 with exceptional needs using Fall 1 Census special education data. The LEA apportionment is calculated by multiplying the per-pupil amount by the total number of pupils in grade 1 with exceptional needs residing in the school district using Fall 1 Census special education data. The per-pupil rate using data from P-1 (certified as of December 12, 2025) is \$4,912.4268191125. Funding rates will be updated at Second Principal Apportionment using data certified by January 23, 2026.

SELPA ADMINISTRATORS OF CALIFORNIA

Finance Committee

March 2026

Prior Finance Reports

[SELPA Finance Committee Resources](#)
[SELPA Finance Committee Report Summaries](#)

Updates and Reminders

- Things to come:
 - [Infant Reallocation and Growth Report](#) (old link, usually comes in March)
 - Application for additional Infant funds due no later than April 14, 2026
 - See [Guidance Document](#) starting on the bottom of page 8 for information and the application

Annual Notification of LEA Generated Funding

- Starting with the 2022-23 fiscal year, each SELPA is required to report to their member LEAs the amount of funding each LEA generates for the SELPA no later than 30 days after receiving their apportionment. **P-1 Funding Exhibits were released on February 18, 2026.**
 - Reminder - this is information on what each LEA generates toward the base grant of the total AB 602 funds. How funds are allocated to each LEA is determined by each SELPA's allocation plan.
 - Per a discussion with MOE Workgroup, Ed Code is not clear on which specific apportionment is required (P-1 vs. P-2).
 - Most SELPAs seem to be doing it at P-1, but some are ALSO doing it again at P-2.
 - CDE indicates it does not have to be done multiple times, but in the interest of transparency, it absolutely can be communicated after P-2 as well.
 - The recommendation of the Finance Committee is to report it after both P-1 and P-2.
- The [P-1 Funding Exhibits](#) can be accessed on the CDE website.
 - Click [2025-26 First Principal Apportionment \(P-1\) Special Education Exhibits](#)
 - From the drop-down, select:
 - Funding Exhibit: Fiscal 2025-26 First Principal Apportionment (P-1)
 - Period: 2025-26 P-1
 - Entity: SELPA Admin Unit
 - Program: SELPA Base Grant Funding
 - SELPA: Choose your SELPA
 - LEA: ALL LEAs
 - Select Preview Report (this is the report you are required to share with your LEAs by March 18, 2026.)

MOE Workgroup

- MOE/EOY paperwork for 2024-25 continues to be reviewed. Some things CDE wanted us to know:
 - Cost efficiency is not an allowable exemption (i.e., if you change from a contract company to in-house for some services, transportation, etc.)
 - Most people are passing at least 2 tests (of the four) on the MOE/SYT forms
 - There is concern when LEAs are only passing Local Only
- IDEA Grants 611 (RS 3310) and 619 (RS 3315)
 - Grants were made accessible on GovGrants at the end of last week.

- The grants were also put in [Box.com](#). Information was put out on the SELPA listserv, and should also be coming from CDE
- GovGrants
 - GovGrants system is designed to be fully electronic - it's not designed to print, but you can print the GAN (will look slightly different)
 - You can upload the signed GAN
- Private School Proportionate Form links - also on [caltan.info](#)
 - [FY 25/26 Proportionate Share Worksheet 611](#)
 - [FY 25/26 Proportionate Share Assurance 611](#)
 - [FY 25/26 Proportionate Share Worksheet 619](#)
 - [FY 25/26 Proportionate Share Assurance 619](#)
 - [Application for Equipment Purchase](#)
- Fiscal Monitoring
 - There were 16 LEAs selected for Fiscal Monitoring
 - Notified through the Annual Determination Letter and have been contacted
 - CDE will get MOE Workgroup a list of the LEAs (not received yet)
 - All new LEAs
 - For those who have a noncompliance for Fiscal Monitoring for 2025, a letter is going out for next steps. There are no holds on anyone's accounts for funds from 2025
 - Trends after the pilot group last year
 - Administrative challenges
 - Need for updated policy and procedures
 - Ability to answer specific queries such as time and effort, monitoring processes, etc.
 - Good feedback - less stress and overall good experiences

Finance Bulletin - Economic and Revenue Updates - February 2026

Economic Update -

- U.S. real GDP grew at a 4.4-percent seasonally adjusted annualized rate (SAAR) in the third quarter of 2025, following a growth of 3.8 percent in the second quarter. Growth was driven mainly by consumer spending.
- California real GDP grew by 4.5 percent in the third quarter of 2025, a slight acceleration from the 4.3-percent growth in the second quarter of 2025.

U.S. Labor Market Update (Important for hiring and Bargaining)

- In January 2026, the U.S. unemployment rate decreased by 0.1 percentage point from the previous month to 4.3 percent. The nation added 130,000 nonfarm payroll jobs with six sectors gaining jobs: education and health services (137,000 jobs), professional and business services (34,000 jobs), construction (33,000 jobs), other services (7,000 jobs), manufacturing (5,000 jobs), and leisure and hospitality (1,000 jobs).

CA Labor Market Update (Important for hiring and Bargaining)

- California's unemployment rate decreased by 0.1 percentage point from the previous month to 5.5 percent in December 2025.

California Personal Income (Important for Budget Development)

- Personal income tax cash receipts were \$3.1 billion, or 16.6 percent, above forecast in January and \$4.7 billion, or 5.6 percent, above the fiscal year-to-date forecast. This was due mainly to estimated payments, which were \$3 billion, or 31.3 percent, above forecast in January and \$3.9 billion, or 20.7 percent, above the fiscal year-to-date forecast.

Building Activities (Important for Property Taxes)

- In October 2025, 106,200 total units (SAAR) were permitted in California, bringing the year-to-date average to 101,000 units permitted in 2025, up 1.1 percent from the same period in 2024. The statewide median sale price of existing single-family homes decreased to \$850,680 in December 2025, down 0.2 percent from \$852,680 in November 2025 and

down 1.2 percent from \$861,020 in December 2024.

Monthly Cash Report (Important because of any potential need for Deferrals) -

Preliminary General Fund agency cash receipts were \$3.4 billion, or 14.2 percent, above the Governor's Budget forecast in January and \$6.9 billion, or 5.4 percent, above the fiscal year-to-date forecast. The fiscal year-to-date overage was driven mainly by higher estimated payments and lower refunds for the personal income tax (contributing \$4.9 billion cumulatively).

- Personal income tax cash receipts were \$3.1 billion, or 16.6 percent, above forecast in January and \$4.7 billion, or 5.6 percent, above the fiscal year-to-date forecast.
- Corporation tax cash receipts were \$244 million, or 10 percent, **above** forecast in January and \$1.5 billion, or 7.5 percent, above the fiscal year-to-date forecast.
- Preliminary sales and use tax receipts were \$236 million, or 12.2 percent, **below** forecast in January and \$179 million, or 0.9 percent, below the fiscal year-to-date forecast.

State Budget News - Governor's Proposed Budget for 2026-27 (Shared in the February Report)

Special Education

- Cost of Living Adjustment of 2.41%
- \$509M for equalization - this would bring base rates up to the highest current rate (roughly \$999/ADA).

Other Education Items

- Teacher Preparation
 - \$250M one-time Prop 98 General Fund to continue educator residency programs through 2029-30.
- Student Support and PD Discretionary Block Grant
 - In addition to the COLA provided to the LCFF and many other TK-12 education programs, the Budget proposes \$2.8B one-time Proposition 98 General Fund for a discretionary block grant.
 - These funds will provide LEAs with additional fiscal support to manage attendance and enrollment declines, including those caused by federal government immigration actions, and address rising costs. The funds will also support implementation of statewide priorities including:
 - Professional development for teachers on the English Language Arts/English Language Development (ELA/ELD) Framework and the Literacy Roadmap, with a focus on strategies to support literacy for English learners
 - Professional development for teachers on the Mathematics Framework
 - Teacher recruitment and retention strategies
 - Professional development for TK teachers and site administrators on the principles and guidelines of developmentally appropriate TK instruction
 - Career pathways and dual enrollment expansion efforts consistent with the Master Plan for Career Education.
- Charter School Accountability
 - *No clear information on this item other than the following:*
 - The Budget proposes new requirements for charter schools.
 - It also provides for the use of verified data in the charter school renewal process until June 30, 2028.
- Home to School Transportation
 - \$322M one-time and \$239.2M ongoing Prop 98 General Fund to reflect higher costs in the Home-to-School Transportation Program.
- Reading Difficulties Risk Screener
 - \$40M one-time Prop 98 General Fund to support continued implementation of

- student reading difficulties screenings.
 - The budget also proposes statutory changes to clarify the appropriate administration of the screeners to ensure the consistency and quality of results.
 - Language addressing exemption opportunities for pupils eligible or being assessed under IDEA (opt out vs. exemption)
- LA County School Wildfire Recovery
 - \$22.9M one-time Prop 98 General Fund to support LEAs that are continuing to recover from the January 2025 Los Angeles County wildfires.
- Universal and Targeted Assistance
 - \$13.3M additional ongoing Prop 98 General Fund, for a total of \$131.9M, for county offices of education to provide universal and targeted support to school districts and charter schools, including those eligible for differentiated assistance.
 - This funding will align with updates to LEA assistance and intervention performance criteria that the State Board of Education is required to adopt pursuant to Chapter 8, Statutes of 2025 (AB 121).
 - The Budget includes statutory changes to allow for the updated performance criteria to target longer-term support where the demonstrated needs are greatest.
