

STEMulate® Change

*Inspiring career confidence through academics,
workforce, and innovation!*

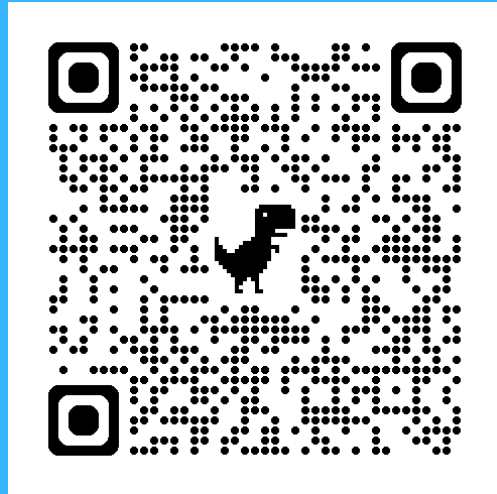

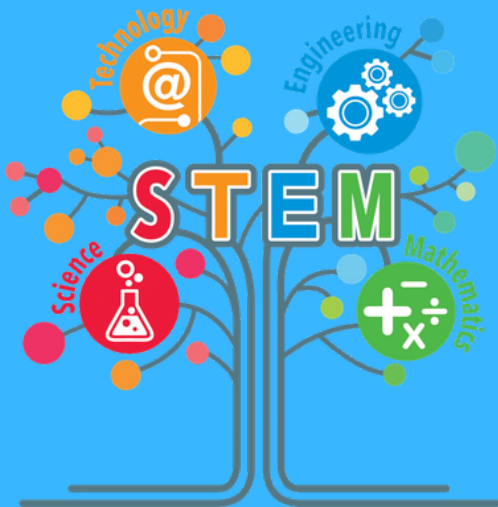

**Now offering Virtual Summer programming for
students in rising 1st - rising 5th graders in the**

Red Clay School District.

June 22rd-July 23rd

Monday-Thursday

9am-12pm

STEMulate® Change seeks to make STEM education relatable through hands-on curriculum that encourages students to learn through real-world projects.
