**school
and
community**

In 1963, a small group of committed citizens of Augusta decided that the new school should be named for the late Dr. Thomas Walter Josey, and should have as its motto, "Power Through Knowledge". In addition, this group chose the colors Kelly green (power), gold (knowledge), and white (purity) as the school's colors. The eagle (a bird of might) was chosen as the mascot. We very proudly called ourselves the Thomas Walter Josey High School.

Notable alumni include such names as Ambassador Larry Palmer, Judge Carl Brown, Dr. Varnell Gaines, William H. Mays III, Dr. Cheryl Evans-Jones, Jimmie Johnson, Richard Roundtree, Deon Grant, Shay Rountree, Ramone Lampkin.

2024-2025 CCRPI Scores

2025 GOSA Single Score: 50.4

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers, and ensures that schools are focused on improving achievement among all students. The index measures student achievement on indicators such as content mastery, student growth on progress, subgroup performance on closing gaps, and various areas including Lexile performance, attendance, and other academic based measurements. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Each individual component score is on a scale of 0-100. Additional data for CCRPI can be found at this address: <https://ccrpi.gadoe.org/>
