Our Principal:

Mrs. Lisa Hughey

Our Mission:

The mission of Lake Forest Hills Elementary is to empower growth through voice, choice, collaboration, and reflection.

Our Story:

At Lake Forest Hills Elementary, we believe every child arrives with natural curiosity, creativity, and a sense of wonder. Our Primary Years Programme (PYP) nurtures these strengths by creating a learning environment that is engaging, supportive, and challenging—helping students develop a true love of learning. As an International Baccalaureate (IB) World School, we aim to grow caring, globally minded students who understand their responsibility to one another and to our planet. At LFH, we focus on developing the whole child as an inquirer, both in the classroom and in the world beyond. Through a transdisciplinary approach, students explore big ideas that connect across subjects and link to real-life experiences. We encourage open-mindedness, positivity, and active engagement so every child can thrive academically, socially, and emotionally.

Our Students:

747 Enrolled

Our Recent Points of Pride:

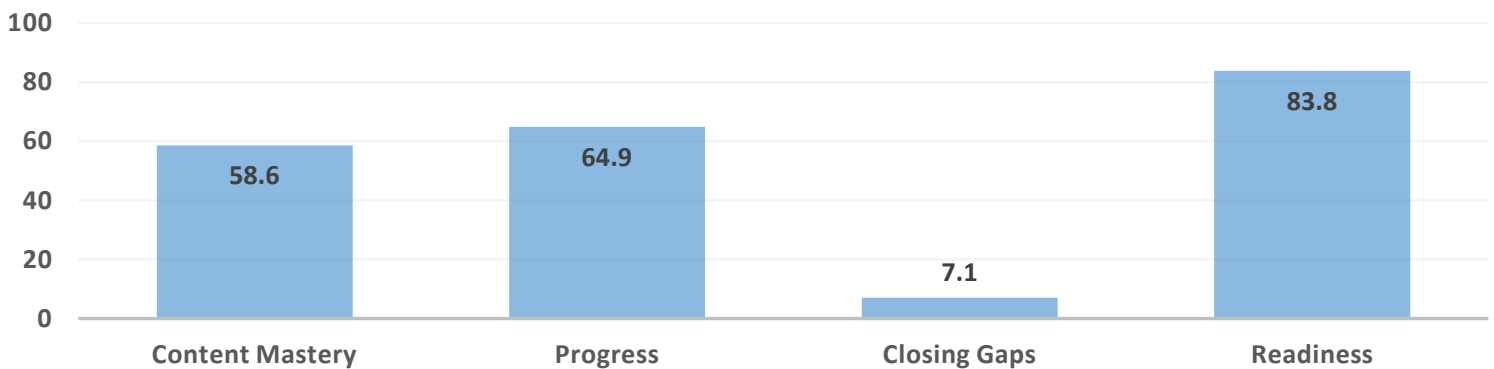

- National Jr. Beta Distinguished School
- John Hancock winner
- 1st Place Helen Ruffin Reading Bowl (District)
- 2nd Place Helen Ruffin Reading Bowl (Regional)
- Beta winners in Engineering and Anime (Georgia)
- Artists recognized at the RCSS Art Show and Agnes Markwalter Youth Art Competition
- District leader in Beanstack reading
- District Science Fair winners

Special Programs/Fine Arts

Garden Club	Choir

Lake Forest Hills Elementary School 2024-2025 CCRPI Scores

2025 GOSA Single Score: 58.1

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers, and ensures that schools are focused on improving achievement among all students. The index measures student achievement on indicators such as content mastery, student growth on progress, subgroup performance on closing gaps, and various areas including Lexile performance, attendance, and other academic based measurements. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Each individual component score is on a scale of 0-100. Additional data for CCRPI can be found at this address: <https://ccrpi.gadoe.org/>
