Our Principal:

Mrs. Donna Culbreath

Our Mission:

The mission of Sue Reynolds Elementary School is produce globally competitive students by educating the whole child and inspiring and teaching them to take Pride in their Pursuit of Learning.

Our Story:

Sue Reynolds Elementary School is named for the fine lady who worked tirelessly to build community support for the first school in this area. She also served as the leader and a teacher at that school for many years. She was truly a visionary and advocate for education. Ms. Reynolds would be proud to see the 3rd building with her namesake, serving over 700 students Pre K-5th grade. Our current campus was established 14 years ago, replacing a smaller building about 1 mile down Wrightsboro Road. In many cases we are serving 2nd generation Sue Reynolds students, as many in our community attended school at the building down the road when they were children. Sue Reynolds is located in Augusta which is the second largest and oldest city in Georgia and is known as the Garden City and home of James Brown and the Masters Golf Tournament. Our staff, students, and school volunteers work hard each day to make sure Sue Reynolds is A Level Above the Rest and continues to be a great place to work and learn. We are Passionate, Purposeful, Proudful, and in Pursuit of Learning at SRE!

Our Students:

715 Enrolled

Special Programs/Fine Arts

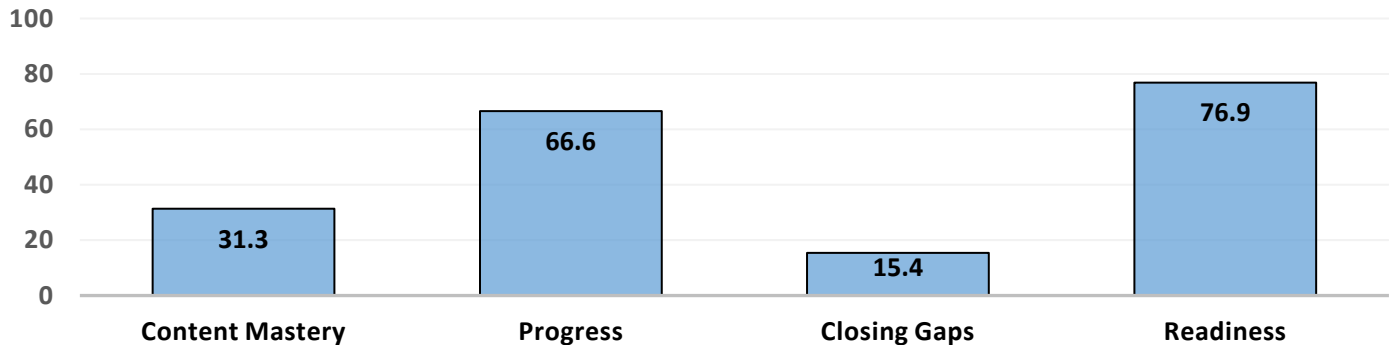

- Orchestra

- Student Council
- Math Team
- 4- H
- Music
- Safety Patrol
- Peer Mediation
- Southern Bells
- Gents

2025 GOSA Single Score: 50.4

Sue Reynolds Elementary School 2024-2025 CCRPI Scores

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers, and ensures that schools are focused on improving achievement among all students. The index measures student achievement on indicators such as content mastery, student growth on progress, subgroup performance on closing gaps, and various areas including Lexile performance, attendance, and other academic based measurements. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Each individual component score is on a scale of 0-100. Additional data for CCRPI can be found at this address: <https://ccrpi.gadoe.org/>
