It is with tremendous pride that we share some outstanding news.

Southmoreland Middle School has been recognized as one of the country's Best Middle Schools in the latest rankings released by U.S. News & World Report.

This national recognition is a direct reflection of the hard work of our students, the dedication of our teachers and staff, and the unwavering support of our families and community. It speaks to a culture of high expectations, strong relationships, and a shared commitment to helping every student grow.

We are incredibly proud of our middle school team for earning this distinction and continuing to demonstrate what Scottie Pride looks like each and every day.

National Honor Society Induction Ceremonies

This week was a special one for our district as we celebrated academic excellence, leadership, and character at two incredible ceremonies.

We proudly inducted **over 100 students into the inaugural chapter of the National Elementary Honor Society** at Southmoreland Elementary School, a historic moment for our district and a testament to the strong foundation being built in our youngest learners.

In addition, **25 outstanding students were inducted into the Southmoreland High School National Honor Society**, recognizing their commitment to scholarship, service, leadership, and character.

To our students, we are incredibly proud of your hard work and dedication. To our families, thank you for your partnership, encouragement, and support along the way. Achievements like these do not happen by accident; they are the result of a community that believes in high

accident, they are the result of a community that believes in high expectations and in one another.

This is Scottie Pride in action.

Congratulations to all of our inductees and their families!

SHS Musical - Newsies

Newsies: A Broadway Musical takes the stage at Southmoreland High School on March 12-15, 2026. Tickets are \$10. Visit www.southmorelandmusical.ludus.com to get tickets.

We hope you will come and support seventy of Southmoreland's talented students in grades 7-12. They have been putting in long hours to create an exciting production of the Disney classic that brings the story of the 1899 Newsboy Strike to the stage. Students are involved in every level of the production from building the set, helping with the musical program booklet, running lights, creating set-pieces, performing the music and, of course, taking the stage! Now is the time to "Seize the Day" and get those tickets!
