### SHS Career Fair

Today, **Southmoreland High School** hosted our annual **College and Career Fair** in the SHS Gymnasium — an exciting opportunity for our students to explore their futures!

More than **40 colleges, trade schools, military representatives, and local employers** were on hand to share information. answer questions.

...our employees were encouraged to share information, answer questions, and inspire students to think about the many pathways available after graduation.

Events like this reflect our commitment to **“Cultivating Lifelong Learners Ready for an Ever-Changing World.”** We’re proud of our students for engaging thoughtfully, asking great questions, and taking the next steps toward their future goals.

A big thank you to our **school counselors, staff, and participating organizations** for making today’s event such a success!
