SMS Is A Blue Ribbon School!!!!

We are **proud to announce** that **Southmoreland Middle School** has been named a **2025 Pennsylvania Blue Ribbon School!** We are one of only **13 schools across the Commonwealth** to earn this prestigious distinction, which recognizes both our overall performance and the significant progress we've made in closing the achievement gap.

Congratulations to our students, faculty, staff, and entire Scottie community on this incredible achievement! Your hard work, dedication, and support have made this honor possible and continue to move our district forward.

DISTRICT FORWARD.

CWCTC Aspiring Educator's Program Was On NBC!!!!

We are thrilled to share some **incredible news** — the **CWCTC Aspiring Educators Program**, which includes some of our talented Southmoreland High School students, was recently **highlighted on NBC News National Programming!**

This recognition shines a national spotlight on the hard work and passion our students bring to preparing for future careers in education. It also showcases the strong partnerships between Southmoreland School District and the **Central Westmoreland Career and Technology Center (CWCTC)**, where students gain hands-on experience and mentorship while exploring the field of teaching.

We are so proud of our students for representing our district with excellence and for inspiring others to consider the important and rewarding profession of education.

The program's innovative use of dual enrollment college credits reflects the dedication of our staff, families, and community to creating a **culture of learning** and providing opportunities beyond a traditional high school education. By developing and inspiring future educators from within our own region, we are helping address the nation's **alarming teacher shortage** and preparing students for bright, successful futures.
